I. POSTING POLICY GUIDELINES

A. Campus Organizations/Individuals
The following policy is designed to allow organizations and individuals to advertise events on campus without causing damage to buildings, signage, and/or trees on or near campus. All posters must bear the name of the sponsoring organization.

1. There are currently two (2) ways in which organizations may advertise OUTSIDE:
   a. Display cases outside of the Campus Store which can be reserved on-line via the R25 scheduling system. (These spaces are limited to organizations that register through the Student Activities Office and official university departments and units.)
   b. Chalking only on horizontal, concrete, granite, or asphalt surfaces where the rain will wash away the residue completely after one or two rainfalls, snowstorms. Should there be no precipitation, chalking must wear away after one week (seven days) of foot traffic. Note that chalking is not permitted in front of and beside Day Hall. Under no circumstances may groups or individuals advertise on an organic surface (grass/soil). Only water soluble chalk may be used and no fixative, such as hair spray can be used over the chalking.

2. Organizations and individuals may poster INSIDE campus buildings on APPROVED BULLETIN BOARDS using tacks only. If in doubt about whether a bulletin board is approved, please see the building manager for that building.

3. The following are prohibited:
   a. The use of masking tape or other adhesives (including paste or glue).
   b. The use of nails, staples or other metal fasteners.
   c. Attaching signs to or spray painting on woodwork, statues, walls or trees, telephone poles, doors, light poles, war memorials, walkways, roads, grassy areas, windows/transparent surfaces, bus stops, etc.
   d. The attachment of flyers or posters to University signage, traffic or street signs, and trees.
   e. Posters under the size of 187 square inches should be limited to no more than (3) per bulletin board per event. Posters over 187 square inches should be limited to no more than (1) per bulletin board per event. Posters exceeding the size of 408 square inches shall be prohibited. Posters of unusual shapes (i.e. not rectangles or squares) that interfere with other posters (to be determined by the building manager or responsible authority) shall be prohibited.
   f. Messages or symbols on grassy areas especially Libe Slope using spray paint, lime, flour, plaster of paris, shaving cream, and/or any other substance.

4. Each college, Residence Hall or other living unit, and administrative building has formulated procedures for posting publicity materials within its own confines. Procedures for classroom buildings vary from college to college. Consult the Dean’s
Office of each college, or administrator in charge of each building for specific regulations. Note that these procedures may be more stringent than the general guidelines provided document. In that event, the college/living unit and/or administrative building procedures have priority over general guidelines. Building administrators or managers should post such procedures in a prominent place.

5. General posting guidelines: In buildings which do not have more stringent posting procedures, building administrators may remove materials which have not been posted according to the following general posting guidelines:
   a. The following are general guidelines for posting:
      1. General purpose bulletin boards in each building should be used.
      2. Posters should be affixed with thumbtacks, not staples or glue.
      3. Posters should be limited to a maximum of three (3) per bulletin board per event.
      4. Bulletin boards that are labeled as “special purpose” are limited to that purpose and non-related announcements will be removed.
      5. Posters may not be placed on walls, doors, or statues either inside or outside of buildings.
   b. For permission to put up posters in sorority or fraternity chapter houses, please contact the officers of each house.
   c. Residence Halls: Contact the Office of Residential Programs and for the House System contact the Alice Cook House Administrative Assistant.
   d. Organizations that receive funding from the SAFC, GPSAFC, Graduate and Professional Student Assembly, or the Student Assembly will include the following statement on all posters advertising their activities: “Co-sponsored by the NAME OF SPONSORING GROUP and Student Assembly.”

6. Enforcement
   a. The outdoor areas will be checked periodically by the Grounds Department and employees for materials not posted in accordance with this policy and for outdated materials. Indoor areas will be checked by the appropriate facility/building managers and/or their designee.
   b. Under the Campus Code of Conduct, the Office of the Judicial Administrator has the jurisdiction over complaints against any members or agencies of the University community who illegally destroy, deface, or remove posters on University bulletin boards, or who attach posters to surfaces not intended to serve as bulletin boards.
