2. Apply online to serve on at least one committee of the SA.

The Office of the Assemblies, assisted by the Elections Committee, will review submitted materials for compliance with petitioning requirements as follows:

2. All petitions will be available for viewing only to members of the Cornell community and may be examined in the Office of the Assemblies, 109 Day Hall. Petitions may not be photocopied once submitted.

3. The Office of the Assemblies will notify the Director of Elections, who will notify any candidates who fail to meet petitioning requirements prior to the scheduled announcement of candidates.

4. Candidates who are listed on the ballot but found to have not fulfilled eligibility requirements prior to tabulation of results will be disqualified with vote counts untallied and discarded.

2. Petitioning

In order to demonstrate that they will be a respectable representative of the Cornell Student Assembly and student body at large, candidates are required to collect a certain number of petition signatures. The required number of petition signers is designated above. Candidates are expected to maintain the highest integrity when collecting petition signatures. 4. If a candidate’s statement does not conform with these guidelines, the statement will not be posted.

4. Pictures
Candidates may have their photos taken in the Office of the Assemblies, 109 Day Hall, before the petition deadline. Photos will be displayed in informational materials published by the Elections Committee. 5. Promotional Materials

Candidates that do not receive or choose not to receive free promotional materials printed by the Office of the Assemblies will be eligible for up to $20 in reimbursements that can be used towards the following expenses: website expenses (web hosting, domain names, and online advertising), chalk, printed materials, or any other promotional materials approved by the Director of Elections that are not a violation of these elections rules. Student Assembly, encouraging them to use the candidate forum as an opportunity to vet candidates for endorsements.

C. Election Guidelines

1. Early Campaigning

Candidates and supporters acting on their behalf must not participate in the following campaign activities until campaigning officially begins:

- Distribution of printed campaign materials to the public
- Advertising candidacy by chalk, poster, or other method designed for public viewing
- Making speeches or statements to student organizations or groups of students
- Promoting their candidacy through email, social networking tools, or other digital media
  - The Elections Committee may challenge or disqualify a candidate if a violation is found to compromise the fairness of the election

2. Restrictions for Current SA Members

Current SA members seeking reelection:

- Must refrain from any form of individual or self-promoting publicity during the petitioning period
- Must not host constituency outreach events that are meant to fulfill an outreach requirement from the deadline for elections materials through the last day of voting

3. Compliance with University Policies and Campus Code of Conduct

Candidates and supporters acting on their behalf must be aware of and comply with all applicable policies and provisions of the Campus Code of Conduct, including but not limited to:

- Use of Cornell Name, Logo & Artwork policy
- Event Registration policies
- Facilities reservation policies, including Willard Straight Hall area reservation policies
- University Postering & Chalking policies
- Residential & New Students Programs’ policy for postering in residence halls
- Dining hall policies, including a prohibition of distributing printed campaign materials in dining halls without permission from authorized staff, and as designated in the Campus Code of Conduct

A violation of any University policy is a violation of these rules and therefore grounds for a challenge if it compromises the fairness of the election. It is the candidate’s responsibility to read the referenced documents and be familiar with the rules and regulations established within them. The Director of Elections may also refer any reported violations to the Office of the Judicial Administrator or any other appropriate office, which may impose disciplinary remedies and penalties according to its own rules and procedures.

Please note that it is against the University Postering and Chalking Policy to chalk on any vertical surface, regardless of the location.
4. Campus Mail
Candidates and their supporters may not use Campus Mail for campaigning purposes.

5. Electronic Communications and Social Media
Candidates and supporters acting on their behalf:
1. Must obtain permission from the administrator of any university-hosted bulk mailing lists
2. Must comply with Cornell University IT policies

6. Campaign Finance
Candidates or supporters acting on their behalf must submit all receipts and/or proof of fair market value with the signed expense report to the Office of the Assemblies by the deadline specified in the elections calendar. Candidates who do not submit receipts and/or proof of fair market value will be presumed to have spent $0 on their campaign.
1. Candidates and supporters acting on their behalf may not exceed the $50 limit for out-of-pocket expenses and fair market value of donations of materials, professional services, and/or money
   a. Fair market value is the value at which something is to be obtained normally if documentation of its dollar value is not provided
   b. If there is a supporting receipt for a good used in a candidate’s campaign, then the value of that good is the dollar value on the supporting receipt as long as the transaction was conducted at arm’s length
   c. For donated materials, professional services, or other goods for which no official receipt is provided, candidates must seek the most plausible assessment of the fair market value of the good. Professional services will be defined as any work for which the given individual/donor is typically compensated. Volunteer time donated by full-time students will not be considered professional services.
   d. Paid advertisements and related costs on social networking sites or other websites must also be accounted for at fair market value
2. Candidates and supporters acting on their behalf in races where only one candidate has submitted a petition are limited to 150 copies and $10 for out-of-pocket expenses.
Donations may be used, but proof of their fair market value must be provided and accounted for.

7. Endorsements
All registered student organizations receiving funds from the Student Assembly are encouraged to endorse candidates. If an organization chooses to endorse a candidate, it is expected to abide by the guidelines below.
1. Student Activities Funding Commission (SAFC) funded and Student Activity Fee (SAF) byline funded organizations may endorse candidates. All groups must act in a way that is fair and balanced when deciding on the endorsement of candidates.
2. The Elections Committee may recommend that the SA impose fines on or revoke allocated funds from organizations failing to comply.
8. Campaign Ethics

Candidates and supporters acting on their behalf:

1. May not, at any time before, during or after the elections, harass, threaten, defame or coerce others.
2. May not provide anything of material value to a member of the Cornell community to further themselves in the election or to promote their candidacy.
3. May not compel any person to endorse their candidacy, assist their campaign, or act as supporter as an explicit or implicit condition for initiation to, admission into, affiliation with, or continued membership in a group or organization.

Article II. Direct Election of President and Executive Vice President

A. President and Executive Vice President (EVP) Designation and eligibility

1. Two of the Undesignated At-Large Representative seats will be reserved for the directly elected seats of President and Executive Vice President.
2. Candidates running for the Undesignated At-Large Representative seats may specify themselves as a Presidential candidate or Executive Vice Presidential candidate.
3. Candidates who do not wish to run for the position of President or Executive Vice President may run individually for an undesignated at-large seat.
4. All candidates running for any undesignated at-large seat will be listed as undesignated at-large candidates on the ballot.

B. Restrictions on Ticketing and Slates

1. General Rules

a. Include any other candidate’s name, a common “ticket” name, or a shared slogan and/or symbol on any promotional materials or within any form of electronic communication and/or media.

b. Share or pool campaign finances with any other candidates or supporters acting on their behalf.

2. Special circumstance for the President and EVP elections

Candidates in any race, besides those running for the position of President of EVP, will be given the freedom to distribute promotional material, send electronic communications, campaign on behalf of, and speak for candidates in the President or EVP races. Candidates who chose to do so are considered supporters and are held accountable to all clauses in these rules that pertain to candidates and their supporters.
The President and EVP are strictly prohibited from coordinating activities.

Candidates are strictly prohibited from performing the actions above for candidates not in the president of EVP races

3. Plagiarism
Candidates may not disseminate written statements, promotional materials, or electronic communications that are plagiarized or substantially copied from any such items created or distributed by any current or former candidate.

Article III. Election Procedures

A. The Elections Calendar
1. The Director of Elections, in consultation with the Office of the Assemblies, will draft the elections calendar prior to the semester of the elections, and will be approved by the Elections Committee at a meeting in the prior semester.
2. Consideration shall be given to any religious holidays that may fall during the election period, guaranteeing that the right to free religious observance is afforded to all potential candidates.

B. The Elections Committee
1. The Director of Elections shall serve as chair and a designated representative of the Office of the Assemblies shall serve as a non-voting ex-officio member of this committee.
2. Members of the Elections Committee may not seek SA or UA office for the academic year following their term of service on the committee.
3. The Director of Elections shall publish at the beginning of each semester a list of Assembly seats to be filled, in accordance with Student Assembly Charter.
4. Elections Committee members are expected to abide by the highest standards of personal conduct and integrity. Students are mandated to excuse themselves from serving on the Elections Committee if they plan to actively take part in a campaign or sit on the executive board of an organization that has endorsed a candidate. Therefore, members should not be actively involved in the campaigning process. All conflicts should be considered and resolved before the election cycle begins.
5. The Elections Committee should be prepared to meet immediately following the challenge deadline to rule on all pertinent challenges. The Elections Committee shall use Robert's Rules of Order to consider challenges, in addition to the elections rules. In the event of conflict, these elections rules supersede Robert's Rules of Order. The Elections Committee has no power to overrule the elections rules under any circumstances.
6. The Director of Elections shall give a final report on the results of the elections when there are no remaining unresolved matters.

---

6 The Director of Elections should coordinate the schedule of the Student Assembly elections with other campus elections, such as those of the Student-Elected Trustee and Class Councils.
7. For the benefit of the students, the Elections Committee shall establish voting booths across campus on the days of the election. Committee members will ensure that no campaigning occurs within 25 feet of a voting booth.

C. Independence of the Elections Committee

While members of the Elections Committee are expected to abide by the highest standards of integrity, they also enjoy independence from undue interference. Hence, students may not falsely accuse, harass, threaten or coerce any member of the Elections Committee for actions taken in their official capacity.

Subject to the determination of the Elections Committee, any violation of this section can result in temporary or permanent disqualification from contesting elections to the SA or UA. It may also result in disciplinary referral to the Judicial Administrator.

D. Voting and Tabulation

1. The order in which names appear on the ballot shall be randomly selected
2. Tabulation of the results of voting shall be as follows:
   a. The President, Executive Vice President, and other Undesignated At-Large Representatives will be elected by a single transferable voting system according to the Article IV, Section 2 of the Charter of the Student Assembly. Voters may rank all candidates on the ballot for each of these races.
   b. All other representatives shall be elected by a plurality voting system. Voters will cast one vote per available seat, (e.g. if three Arts and Sciences representatives are to be elected, the voter will vote for three candidates).
   c. Uncontested candidates will not be listed for a vote on the ballot and will be deemed victorious pending the resolution of challenges
3. Preliminary results for challenged races will be posted after the Elections Committee has ruled on those challenges
4. The Elections Committee will not have access to the preliminary results prior to and during challenge deliberations. The Office of Assemblies will release election results after the Elections Committee has validated the election results.
5. A printout of election results for qualified candidates shall be available in the Office of the Assemblies, 109 Day Hall, for one year following the election. Disqualified candidates will not have their vote tallies made available.

E. Challenges

1. Eligibility to Challenge
   1. Any member of the Cornell community may submit a challenge
   2. The Director of Elections may submit a challenge
   3. The Elections Committee as a body may submit a challenge by majority vote
   4. Individual committee members, except the Director of Elections, may not submit a challenge
2. Challenge Deadlines

1. Election challenges must be submitted by the election challenge deadline specified in the elections calendar.
2. The Director of Elections or the Elections Committee by a majority vote can submit a challenge at any time before the declaration of results.
3. No challenges will be accepted after these deadlines.
4. Once submitted, a challenge becomes part of the formal record, and may not be withdrawn except by the explicit permission of the Director of Elections.

3. Format of Challenges

Challenges must be in writing, submitted on the signed Challenge Form, and accompanied by the following supporting documentation:

1. Challenger’s name
2. Candidate’s name
3. Date of challenge
4. Reason for challenge and supporting evidence

4. Notification of Election Challenges

The Office of the Assemblies will notify the Director of Elections who will send an email notifying anyone who is named in an election challenge. The email will contain a scanned copy of the challenge.

5. Response to Election Challenges

A challenged candidate may review challenges to which they are a party in the Office of the Assemblies, 109 Day Hall, and address written statements in response to the committee. The challenged candidate may request a hearing in person with the committee.

6. Challenge Review Meeting

The committee will schedule a meeting to review challenges in Executive Session. The committee will provide an opportunity for the challenged candidate to respond in person if requested by the challenged candidate or a member of the committee. For each challenge, the committee will determine:

1. Whether a preponderance of evidence substantiates each alleged violation; and,
2. Which, if any, substantiated violations or combination thereof compromised the fairness of the election and constituted a material advantage to the extent the challenged candidate should be disqualified by a two-thirds majority.

The Committee will first vote by simple majority to determine if the evidence substantiates each alleged violation. If the violation is substantiated, the committee will vote which, if any, substantiated violations or combination thereof compromised the fairness of the election and constituted a material advantage to the extent the challenged candidate should be disqualified by a two-thirds majority.

7. Preliminary Report
1. For each rule violation, the Director of Elections or a member of the Elections Committee as delegated by the Director will create a written report summarizing the challenge(s), the decision made, and how the decision was reached.

2. The preliminary report is kept confidential and only released to the challenged candidate and the challenger(s).

3. A copy is kept in the Office of the Assemblies, 109 Day Hall.

4. For each challenge, the committee will report to the challenger(s) and the challenged candidate all evidence received/found, any violations substantiated, and any decisions to disqualify the challenged candidate.

8. Reconsideration

If the committee determines a candidate should be disqualified, the candidate may request reconsideration within twenty-four hours of receiving the Preliminary Report. To be reconsidered, the candidate seeking such reconsideration must submit a request in writing to the Office of the Assemblies via email to assembly@cornell.edu. The statement should address the specific findings in the preliminary report to be reconsidered.

The committee will convene in response to such a request. The committee, after evaluating each request for reconsideration, will take a vote requiring a simple majority to determine if the previous decision to disqualify should be overturned. If the committee votes to overturn the previous decision, then the committee will consider the initial challenge again and will vote to disqualify the candidate by two-thirds majority.

If a disqualified candidate finds that the Elections Committee was biased in their application of the rules, they may request a review by the Judicial Codes and Counselor (JCC). If the JCC review finds that the application of the rules was biased, the decision of the Elections Committee may be overturned.

9. Finality

The determination of the committee after expiration or resolution of requests for reconsideration shall be final.

10. Confidentiality

1. Members of the committee and parties to a challenge may not share the contents of challenges, evidence, or decisions submitted to or received from the committee, except when explicitly permitted by these rules or by the Director of Elections.

2. Unauthorized disclosure of confidential information may result in a disciplinary referral to the Judicial Administrator.

3. A review of the Challenges may take place in the Office of the Assemblies, 109 Day Hall, by any member of the Cornell community. Challenges may not be photocopied, photographed, digitally recorded or removed from the Office of Assemblies.
