The following application is not complete. Our advisor, Jennifer Davis, keeps track of all our financial information. She has not been able to calculate all the finances due to a family member passing away on August 27, 2015. We will submit a final application by 11:59pm September 27.
Summary of Request for Funding

Senior Week was one of the most looked forward to series of events for Cornellians. We intend to maintain a series of events that all Cornellians look forward to at the end of their four years at Cornell. Due to the high demand for programs and events just for seniors, we will fill that void by planning throughout the month of May and the entirety of Senior Days, the last few days before Commencement.

Given that our structure and timing of events will change, we seek to maintain our funding level at $5.00 per student to allow us to creatively fill the void that the calendar changes have created in the senior week experience. We will continue to offer a wide variety of events in order to attract a diverse group of students to our events who have a broad range of interests.

CONTENT
Mission Statement

The Mission of Senior Week (Senior Days) is to provide community/class building events that are safe, fun and engaging, allowing for seniors to enjoy Cornell, Ithaca and New York during their last month on the hill. A sense of unity and pride shall be fostered through a series of events and programming opportunities designed to appeal to the diverse nature of our campus community.

Organization Profile

The first senior class council was established with Cornell's first graduating class. They were charged with doing senior week events and promoting our newest alumni. Ever since then, a dedicated group of seniors worked tirelessly to promote Cornell and provide a celebration at the end of the senior year for graduates to enjoy. Although as a result of the academic calendar changes, Senior week has been reduced to Senior Days, it is still the mission of this group to provide graduating seniors with enriching and fun activities leading up to commencement weekend to celebrate their accomplishments at Cornell.

The leadership of the Senior Days Committee are co-chairs who apply in the Spring semester of their junior year. Depending on the year there can be 2-4 co-chairs for senior days. The committee is selected from applicants in the fall semester of senior year. Depending on the year, the committee size has ranged from 25-45 members. Further, about 200+ students volunteer to run the programs during the week.

Addressing the Calendar Changes: Senior Days

The University has established a new set of dates for the end-of-the-year celebrations for seniors. Below are some key factors that should be noted when considering the value our organization can bring to the senior student experience.

- We will continue to offer all the off-campus trips that we have in the past. Senior Week has consistently sent over 1000 people on off-campus trips each day of senior week.

- Senior Days will still include the wildly popular Rave and Dino BBQ.

- Other large scale events, such as Duff Ball, Senior Carnival, Casino Night, Comedy Night and a newly reinstated Cornell Night can still occur, but earlier in the month of May or the end of April.
