

# ENVIRONMENTAL COMMITTEE

# AGENDA

11.23

## WASTE

- waste resolution team: thinking ahead, helping design stickers, Martha's/HumEc Commons inventory & measurements
- reusable container system team: talking to Bizee Box, survey results, proposal for Therese
- waste audit team: planning for audit at Martha's, addressing landfill bincontamination

## PLASTICS

- SA presentation for Thursday 12/3
- addressing legitimate concerns (e.g. increase in soda sales, campus visitors)
- reach out to SNRC and/or TBTT to start on education related to reducing plastic water bottle use

have a relaxing break !  
take a breather-- **you deserve it**
