Submitters must collect signatures (defined as a willfully submitted record of first name, last name, and NetID) exclusively from registered undergraduate students at Cornell University. The Office of the Assemblies will display any pro or con statements submitted during the statement period on the poll.
- iii. The Office of the Assemblies will publicly release the results of the referendum within one business day following the conclusion of the Voting Period, including the percentage of the undergraduate population that voted.

Section 11: Amendments

Appendix A may be amended by a two-thirds (2/3) vote of the Student Assembly. In order to ensure consistency and fairness to the applicants and student body at-large, no amendments to this appendix may be adopted during the fall semester of a fee-setting year.

Section 12: Review

The SA and the GPSA and a representative of the President of the University shall review these guidelines and the procedures established in accordance therewith at least every four years in a non-fee-setting year (e.g. 2014-2015, 2018-2019). This review shall be conducted with strict adherence to the guidelines set forth by the Board of Trustees in Attachment A: Criteria for Setting and Allocating the Student Activity Fee (03/01/99).

Section 13: Criteria for Setting and Allocating the Student Activity Fee from the March 1, 1999 Delegation of Authority

- C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set every two years for a period of two years by the SA and the GPSA, respectively.
- D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-

Student Assembly

619 setting year. The final report must be sent to the President of the University by the last day of finals of the fall
620 semester.

- 621 E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee,
622 an organization must meet the following criteria:

625 organization's activities

631 Activities Funding Commission or Graduate and Professional Student Activities Funding Commission
632 processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding
633 must demonstrate:
- 634 i. Its activities are of direct and primary benefit to the entire Cornell community represented by the
635 respective assembly; and
 - 636 ii. It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.
- 637 G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are
638 not registered organizations (e.g., Students Helping Students, club insurance) but whose organizational
639 structure and programs and services are consistent with the criteria outlined above for by-line funded
640 organizations. Such funding would require the approval of the respective assembly and the President of the
641 University.
- 642 H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-
643 line funded organizations and the Student Activities Funding Commission or Graduate and Professional
644 Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of
645 their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-
646 by-line funded organizations.
- 647 I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be
648 permitted to increase the Student Activities Funding Commission's allocation above their request to reach an
649 even dollar amount.
- 650 J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity
651 Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full
652 amount of the Student Activity Fee, due to the funding instability inherent in administering such a system.
653 Exceptions may be considered if recommended and approved by the respective assembly and approved by
654 the President of the University.
- 655 K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the
656 GPSA and a representative of the President of the University at least every four years in a non-fee-setting

Student Assembly

APPENDIX B: STUDENT ASSEMBLY GUIDELINES FOR FUNDED ORGANIZATIONS

Section 1: Preamble

Each organization that receives funding from the Student Assembly (SA) through the Student Activity Fee (SAF) is subject to Guidelines set by the Assembly in consultation with the Graduate & Professional Student Assembly (GPSA), these organizations, and the Cornell student body.

Section 2: Student Assembly's Role and Obligations

- A. **SA Charge:** As the student-elected governing body at Cornell University, the SA shall seek out and voice effectively the interests and concerns of the student body.
- B. **Notice of Current Governing Documents:** The SA shall provide each by-line funded organization, the Director(s) of Campus Activities, Campus Life, the GPSA, and the Dean of Students with a current copy of these Guidelines, as well as the SA Charter and the SA Finance Committee Charge and Guidelines each year.
- C. **Notice of Pending Legislation:** Each by-line funded organization, the Director(s) of Campus Activities, Campus Life, the GPSA, and the Dean of Students shall be notified of any SA, SA Finance Committee, or other meeting in which legislation concerning or affecting Fee recipients is pending.
- D. **Outreach:** The SA Vice-President for Finance shall, wherever possible and as often as possible, attend meetings of each organization throughout the year.
- E. **Enforcement, Violations & Penalties**
 - i. The SA Vice-President for Finance shall be charged with investigation of all accusations regarding violations of these guidelines and will report such findings to the SA.
 - ii. If the SA determines that an organization has committed a violation, the SA may impose a fine, reduction or revocation of the organization's by-line funding allocation. In order for a fine, reduction, or revocation of funding to occur, a two-thirds majority of the SA must concur. Reasons for a fine, reduction, or revocation of funding include, but are not limited to, violation of these rules, violation of campus policies, or violation of contract. Any money garnered from a fine on an organization shall be placed in the Special Projects Fund of the Student Assembly. If a reduction or revocation of funding affecting the remainder of the funding cycle occurs, the University shall attempt to reduce the SAF to reflect the lower amount. Excepting that, the money shall revert to the Special Projects Fund.
- F. **Funding Clawbacks:** In the event that a Byline-funded organization enters a new academic year with a rollover balance exceeding either twice the amount of its most recent annual allocation or five hundred thousand dollars (\$500,000), whichever is less, any surplus funds in excess of that threshold shall be immediately transferred to the Student Assembly Reserve Accounts.

Section 3: General Guidelines

All recipients of the SAF shall adhere to the following guidelines:

- A. **Eligibility:** SAF allocations are to be used primarily for the benefit of undergraduate students. Organizations that have the capability to be student run and led shall be primarily student run and led.
- B. **Event Ticketing:** For all events (concerts, lectures, films, etc.) funded by the Fee allocations and for which

Student Assembly

admission is charged:

- i. Cornell students shall receive a reasonable discount per event to reflect their prior contribution via the SAF.
- ii. Cornell students shall receive the first opportunity to purchase tickets or (otherwise should have a substantial amount of tickets reserved for student use).
- iii. The Finance Committee or the Executive Committee shall have the ability to request that organizations publish a report to the SA on the amount of money received for an event, where that money has been allocated, total attendance, and how much money was spent on the event.

- C. **Attendance Tracking:** Each By-line Funded Organization shall, whenever possible, provide accurate attendance figures. Organizations shall conduct a review during each Byline Funding Cycle of the demographics of students who use and are impacted by their services and shall report to the SA Finance Committee the attendance figures, expenditures, and incomes generated from each event held during the two previous academic years. Organizations shall record the number of undergraduates who attend each program and event, utilizing the built-in system in Campus Groups that allow individuals to sign up for events. For events where tracking attendance would provide an unnecessary burden to organizations, a brief written statement explaining why attendance was not taken is required.
- D. **Funds Reporting:** Organizations shall operate using their accumulated surplus and the Student Activity Fee disbursement. During each Byline Funding Cycle, organizations are expected to report on the supplemental cost per-student provided for by the SAF. Organizations shall track both undergraduate and graduate contributions to events and programming. Organizations shall notify the SA Vice President for Finance if they are expected to require more than their SAF allocation in a given year
- E. **Public Promotion & Engagement:** Each organization shall regularly advertise its existence and encourage student participation at its meetings, which shall be open to the public. Each byline-funded organization and its sub-organizations must include the SA logo or the following statement on all fliers, posters, promotions, programs, and literature related to public events: "Funded in part by the Student Assembly." and clearly identify themselves as a "Student Assembly Byline Organization" on their website, social media accounts, CampusGroups page, and other public-facing platforms.'
- a. In the case that an organization or any of its sub-organizations does not satisfy the above, they shall be fined 10% of the total cost of the event.
 - b. In the case that three violations that would warrant a fine are imposed on a Byline Funded Organization or its sub-organizations within a 5-year period, they will receive an automatic funding decrease for the following funding cycle, which shall be determined at the discretion of the Assembly.
- F. **Funds Partitioning:** SAF money will preferably be held in a separate University account for accounting and reporting purposes. Otherwise all expenditures from SAF money shall be authorized by the Organization in accordance with its governing documents. These requirements apply to all organizations unless explicitly exempted in this Appendix or waived by a two-thirds vote of both the Finance Committee and the Student Assembly. The waiver shall apply for one by-line funding cycle.
- G. **Prohibition on Compensation:** No Advisor, President, Treasurer, staff member, other officer, or member of an organization may be compensated from an organization's SAF account or SAF earned income account.
- a. In the case that an organization is found to have compensated any of the listed parties from their SAF account or SAF earned income account, they shall receive a fine as well as an automatic decrease in funding for the following funding cycle, both amounts of which shall be determined by the Vice President for Finance.
 - i. However, the Vice President for Finance may not set an amount that puts the Byline Funded organization or its sub-organizations below the requirement to exist and receive funding from the SA.
- H. **SA Liaisons:** The SA shall have the option of appointing a Student Assembly member to serve as a non-voting liaison to each organization or, where appropriate, to its Executive Board to foster communication and partnership.  - i. First instance: Written warning and mandatory mediation.
 - ii. Second instance: 10% reduction in next funding cycle (to be passed by two-thirds majority vote of the Student Assembly).
 - iii. Third instance: Referral to Finance Committee for byline status review.
- f. Liaisons must attend at least two Executive Board meetings within the first six weeks of each semester to understand the organization's operations and needs and better represent their interests.
- g. Failure to comply with the above by liaisons triggers a written warning, and subsequent instances shall trigger referral to the SA Office of Ethics and potential loss of liaison assignments.

- I. **Off-Year Reporting:** During the fall of even-numbered calendar years, each organization shall provide the Finance Committee with a written account of the use of its fee allocation and operations for the previous academic year, and an optional oral summary of its activities (unless mandated otherwise by the Finance Committee), including usage statistics and future programming plans. The SA Vice President for Finance will conduct an unofficial vote regarding the committee's recommendation on whether or not the organization should receive an increase in funding, a decrease in funding, or maintenance of funding at its current level. The SA Vice President for Finance shall then provide a written summary report of these meetings to the SA and all the Byline-funded organizations they have reported on.
- J. **New Organization Reporting:** Organizations receiving By-Line funding for the first time in the current funding cycle shall report each semester to the Finance Committee on their operations and finances.
- K. **Sub-Organizations:** All organizations that fall under a byline-funded umbrella organization must be registered. If applicable, each sub-organization shall receive funding from its umbrella organization for at least one event open to the public, every academic year. Sub-organizations shall only apply for funding from their umbrella organization and will not be allowed to receive funding from any other byline-funded organization, including SAFC. Umbrella organizations will similarly be ineligible to receive funding from other byline-funded organizations. Byline-funded organizations shall provide a semesterly budget report for all the events held by sub-organizations during the two previous academic years.
- L. **Conferences:** Organizations may send Executive Board member(s) to one annual conference, if desired. The Finance Committee must approve organizations' conference expenditures and each organization must demonstrate to the committee that conference attendance will benefit the Organization's ability to achieve its mission statement. Organizations shall request approval in their annual fall report to the SA.
- M. **Spending Limitations:** All conferences, teambuilding, banquet, training, and other social expenditures for organization members, in sum, shall be no greater than \$4,000 or 10% of the organization's by-line allocation, whichever is less. This rule shall not apply to SAFC-funded organizations. Funds from an organization's byline allocation cannot be used to purchase food for Executive Board meetings.
 - a. In the event that a non-SAFC funded organization spends more than the listed amount for conferences, teambuilding, banquets, training, other social expenditures for organization members, or food for the executive board meetings, a fine shall be imposed by the Vice President for Finance in consultation with the Executive Board.

Student Assembly

Organizations may also make requirements based on vocal range or quality which may result in a chorus or choruses of one or predominantly one gender. Organizations that participate in activities with governmental age restrictions may also make appropriate requirements on the basis of age.
 - ii. Organizations may also enforce uniform standards of conduct as a prerequisite for obtaining some or all rights of general members and executive board members, respectively, so long as said standards are protected by the 1st Amendment of the United States Constitution in the context of a public university and do not impede enforcement of Appendix B, Section II, subsection E.
 - iii. Each organization receiving Student Activity Fee funds directly from the Student Assembly shall include a "Non-discrimination Clause" section in its bylaws, constitution or other governing documents reflecting this policy.
- P. **Reporting and Enforcement:**
- a.
