8 **Whereas,** the Graduate and Professional Student Assembly (GPSA) has a duty to engage in  
9 items of importance to the graduate and professional student body, and the University is of  
10 interest to the student body.

11 **Whereas,** the GPSA does not currently have direct input on investments, or active divestment,  
12 made by the University.

13 **Whereas,** the joint input of the GPSA and undergraduate Student Assembly (SA) carry more
