1 Resolution 12: Implementing Special Grants 2 Committee Funding Recommendations on 3 Grants Addressing Student Lounges

4
5 **Abstract:** This resolution directs the GPSA Appropriations Committee to distribute \$37,595
6 across five (5) organizations **proposing the creation, renovation, or enhancement of graduate**
7 **and professional student lounge spaces** under the *Student Lounges* category, as specified in the
8 Special Grants Committee funding recommendations.

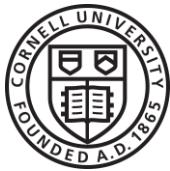

9
10 **Sponsored by:** Anafernanda Cardenas, Jason Chobirko,
11 **Reviewed by:** Executive Committee, 02/04/2026 (7-0-0)

12
13 **Whereas**, the GPSA created the Special Grants Committee by passing [Resolution 9: Special](#)
14 [Committee for the Disbursement of Special Grant Funding](#) in FY2024, whose charge was to
15 solicit, review, and recommend funding for grants aimed towards advancing graduate and
16 professional student interests at Cornell University.

17
18 **Whereas**, the Special Grants Committee solicited 58 grant submissions from relevant
19 stakeholders that serve graduate and professional students, such as University departments,
20 offices, graduate and professional student organizations, byline-funded organizations and
21 community groups.

22
23 **Whereas**, the Special Grants Committee, through the collective efforts of its members, scored
24 and reviewed all 58 received grants using the following criteria:

- 25 1) **Plan:** How detailed is the timeline for implementing the proposed event(s)? Are the
26 event(s) well-reasoned and supported by grant materials?
- 27 2) **Accountability:** Does the grant clearly state who is responsible for implementing the
28 proposed event(s)? Did the sponsor detail steps for grant supervision and
29 implementation?
- 30 3) **Impact:** Will the proposed event(s) meaningfully impact the well-being of graduate and
31 professional students throughout Cornell?
- 32 4) **Need:** Does the grant highlight a need, lack of support or otherwise unaddressed issues
33 for graduate and professional students? And will the proposed event(s) address this need?

Graduate and Professional Student Assembly

34

35 **Whereas**, the Special Grants Committee, through the majority agreement of its members,
36 curated a list of reviewed grants which, when funded partially or in-full, would best improve
37 graduate and professional student well-being at Cornell.

38

39 **Whereas**, multiple Special Grant grants identified a lack of accessible, welcoming, and
40 functional lounge spaces for graduate and professional students, particularly within department-
41 based, off-campus, or research-intensive academic units.

42

43 **Whereas**, applicants demonstrated that the absence of dedicated student lounges limits
44 opportunities for informal collaboration, peer support, wellness, and community-building, often
45 resulting in students using laboratories, offices, or non-ideal spaces for meals, meetings, and rest.

46

47 **Whereas**, proposed lounge projects address documented student needs through modest
48 renovations, furnishing, and appliance installation that enable year-round use, accessibility, and
49 multipurpose functionality.

50

51 **Whereas**, funded student lounge projects are designed to serve as shared, cross-departmental
52 “third spaces” that support academic productivity, professional development, and social
53 connection for current and future cohorts of graduate and professional students.

54

55 **Whereas**, grants included clear implementation plans, designated student leadership and
56 departmental oversight, itemized budgets, and sustainability strategies to ensure responsible use
57 of funds and long-term impact.

58

59 **Whereas**, investment in student lounge infrastructure represents a one-time funding opportunity
60 with multi-year benefits that advance graduate and professional student well-being across
61 Cornell University.

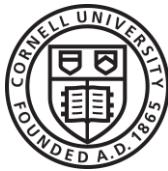

62

63 **Whereas**, the Special Grants Committee completed its charge on January 26th 2026 by
64 presenting a final recommendation of reviewed grants to fund, either partially or in-full, to the
65 GPSA.

66

67 **Be it therefore resolved**, the GPSA Appropriations Committee earmarked \$37,595 from the
68 GPSAFC reserve account for the purpose of supporting grants #3, #7, #18, #21, and #23.

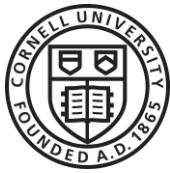

69
