

Graduate and Professional Student Assembly

Resolution 15: Updating Appendix A and Appendix B

Abstract: This resolution amends GPSA's Appendix A and Appendix B for a more concise and readable governing document that better reflects the financial operations and agreements of the GPSA.

Sponsored by: Ocean Karim, President

Whereas, GPSA's Appendix A and Appendix B have not been updated in a wholistic and meaningful way for several years.

Whereas, a charge led by Dean Marla Love has been given to both the Undergraduate Student Assembly (SA) and GPSA to update their respective bylaws in non-fee setting years

Whereas, GPSA has neglected to fulfil said charge over the past years

Be it therefore resolved that the Graduate and Professional Student Assembly adopt the newly revised Appendix A and Appendix B put forth in the attached document

Respectfully submitted,

Ocean Karim

President
