Whereas, the Graduate and Professional Student Assembly (GPSA) has a duty to engage in items of importance to the graduate and professional student body, and the University is of interest to the student body.

Whereas, the GPSA does not currently have direct input on investments, or active divestment, made by the University.

Whereas, the joint input of the GPSA and undergraduate Student Assembly (SA) carry more weight and a broader scope of student interest than either body acting independently.

Be it therefore resolved, the GPSA shall henceforth appoint a representative to the Ad Hoc Committee on Cornell University's Corporate Social Responsibility and ESG Policies as established by the SA.

Be it further resolved, that this resolution shall take effect upon the re-introduction of the Ad Hoc Committee on Cornell University's Corporate Social Responsibility and ESG Policies for this academic year.

Respectfully Submitted,

Sowad Ocean Karim

President
