Dear Cornell Student Assembly Special Projects applicant,

This form is the official application for AY 2025-2026 Special Projects funding. Below are guidelines for the Special Projects fund:

The Student Assembly may choose to fund any project, program or service through the Assembly Special Projects that it deems to improve the quality of undergraduate student life. Special Projects funding is a type of category spending. Special Projects funding may be requested by any of the following, but not limited to:

- (i) Any Cornell registered student organization,
- (ii) the Assembly committee chairs that seek funding for expenditures that exceed their committee's budgeted allocation.

(1) *The President and Vice President for Finance together may approve any special projects funding request up to \$500 without consultation with the Executive Committee. Amounts up to \$500 may also be funded by a majority vote of the Executive Committee. Request must be made public at a Student Assembly meeting in the form of an "Announcement/Report" before being approved. Any voting member can motion for the request to be sent to the Executive Committee if they feel necessary.*

(2) *The Executive Committee shall decide upon special projects requests over \$500 and under \$2,500 by a majority vote. The Assembly, at large, may reverse an Executive Committee decision to fund amounts over \$400 by a two-thirds vote. The request should be presented to the Student Assembly in the form of a resolution.*

(3) *Requests \$2,500 and over shall be decided upon by a majority vote of the Executive Committee and confirmed by a majority vote of the Student Assembly, at large. The Assembly, at large, is only required to confirm requests of \$2,500 or greater. The request should be presented to the Student Assembly in the form of a resolution.*
