Whereas, the Multicultural Greek Fraternal Council (MGFC) is a byline organization of the Student Governance Assembly,

Whereas, MGFC's internal financial tracking did not account for events which MGFC had supported financially which were open to the Cornell community,

Whereas, MGFC's proposed SAF allocation in Resolution 65 is likely not sufficient to support MGFC umbrella organizations throughout the next Student Activity Fee cycle,

Be it therefore resolved, contingent upon the passage of Resolution 66, the Student Governance Assembly approves the \$40000 disbursement from the Student Governance Assembly Reserves into the account of the Multicultural Greek Fraternal Council.

Be it further resolved, this disbursement is intended to be distributed throughout the next two academic years, with the goal of encouraging stronger financial tracking.
