**Whereas,** the Student Assembly's reserve account is over \$400,000,

**Whereas,** the Student Assembly faces a cut in the proposed Student Activity Fee, and will need disbursements from reserves to sustain the Student Assembly's operating budget in the next two years,

**Whereas,** these reserves have already been used to support by-line organizations including the ALANA Intercultural Board,

**Whereas,** recently proposed resolutions use the Student Assembly's reserves to support the Multicultural Greek Fraternal Council (MGFC),

**Whereas,** the sustained health of the reserves is necessary to continue to support organizations who face cuts in the proposed Student Activity Fee,

**Whereas,** the Student Assembly has already pulled \$25,000 from the reserves to refill the Special Projects fund,

**Be it therefore resolved,** the Student Assembly shall not use funds from the Student Assembly's reserves to refill the Special Projects fund for the remainder of this academic year.

**Be it further resolved,** the Student Assembly shall still be able to reallocate funds from the operating budget into the Special Projects Fund.

Respectfully Submitted,

Hayden Watkins '28
