Whereas, the Student Assembly has jurisdiction over the allocation of funds between the Students Helping Students distributions and the Summer Experience Grant distributions;

Whereas, ordinarily, this split is determined by the Financial Aid Review Committee in consultation with the Office of Financial Aid;

Whereas, the Financial Aid Review Committee does not currently have enough members to make this decision in accordance with the Bylaws of the Student Assembly;

Whereas, the Office of Financial Aid recommends \$150,000 out of the total \$200,712.80 balance be allocated to the Summer Experience Grant based on the projected number of applicants for each the Students Helping Students Grant and the Summer Experience Grant;

Whereas, the committee members present at the February 13th meeting of the Financial Aid Review Committee concur with the recommendation.

Be it therefore resolved, the Student Assembly sets the Summer Experience Grant allocation at \$150,000 for AY 2024-2025.
