Cornell University Student Assembly

Academic Policy Committee

Agenda of the Sunday, December 4th Meeting

2:15pm-2:47pm in Goldwin Smith Hall Room 156

- I. Call to Order & Roll Call**
- II. Presentations and Discussions**
 - i. Alexander Iglesias – Student Assembly School of Human Ecology Representative;
 - ii. Presentation will recap and explain the PAM/Human Ecology research into how students choose classes.
- III. Task Force Updates (If necessary)**
- IV. Resolution 19 - Recommended**
 - i. Recommending Uniformity in Faculty Laptop Policies;
 - ii. Representative/Committee Member Noah Chovanec's Laptop Policy Resolution has been sent back recommended (apparently, that's an official procedural term; I have just learned this myself) to allow us to further research and implement minor changes to appease our SA overlords. We will hopefully pass the resolution at our first meeting next semester.
- V. Resolution 25 – Recommended**
 - i. Request for the Faculty Senate to create a Faculty Diversity Task Force;
 - ii. This resolution was presented at the final SA meeting of the semester. As there was a lot to cover at this meeting coupled with the lack of prior committee review of this, the SA recommended this resolution so that it would not die and be further examined.
- VI. Task Force Breakout (Time Permitting)**
- VII. Adjourn (until 2017 ☺)**
