The Vice President for Student and Academic Services shall act unless otherwise directed by the President, pursuant to Article 3, Section 6.

Section 3: Reporting of Student Assembly Actions

Reporting to the President - All actions, excluding internal policy changes that do not affect the Student Assembly Charter, of the SA will be reported by the SA President to the University President. The SA will respond to any requests for information from the President on its actions. The President may also request reconsideration of legislation proposed by the SA. Such a request must be filed within thirty days of notification of the legislation. The SA will take action on such a request, and, if the legislation is upheld, the SA will inform the President. If the legislation is upheld and if the President still deems the action to be defective, the President may veto the action of the SA. The University President will review all actions of the SA and provide a written

response to all actions of the SA within 30 days. The University President may also designate a member of his or her Cabinet, Senior Administration, Provost's Office or Dean of Student's Office to provide an additional written response to an action of the SA within 30 days when appropriate.

B. Reporting to Other Bodies - The SA will report in writing its actions to the GPSA, Employee Assembly, and the Faculty Senate, in conjunction with reporting of the actions to the President. The actions will be reported following each meeting by a SA member designated by the SA Annual Report. The SA will present an annual report at or after the last SA meeting of the spring term to the President of the University and the student population. The report will include a summary of the SA's work during the preceding year and, in addition, describe any unresolved issues that are expected to arise in the future. All members of the Cornell community will have access to this report. The report must be approved by either a majority vote of the members present at the final meeting of the spring term or by a majority vote of the voting membership of the Student Assembly electronically prior to being presented to the University President.

Section 4: Objection to Actions

A. Objection of SA Actions by Another Assembly - Should another Assembly object to an action of the SA, at its next business meeting, the SA will review the objection and either modify the original position to account for the objections of the other constituency(ies) or will reaffirm the original action. The SA shall report to the objecting body(ies) within five working days of reviewing the objection.

B. Objection by SA of another Assemblies Actions - If the SA determines by a two-thirds vote that the action of another constituency body impacts its constituency, comparable procedures for the reconciliation of the differences will be pursued.

Section 5: University Calendar

A. The Provost will consult with the SA in the formulation of the University Calendar. The SA may review and ask for reconsideration of the calendar before it becomes final. In addition, the SA may propose changes in the calendar to the Provost.

B. The Provost shall make the calendar available for comment at least thirty days before public announcement of the final calendar.

Section 6: Presidential Information

The SA may request and obtain specific information from the President regarding any subject which it deems of general student concern. If such a request is made, and said information is not furnished, the President will report to the SA the reasons why said information cannot be furnished within two regularly scheduled SA meetings following the denial of the request. The SA will not request information falling into the following categories: salary or wage records of specific individuals, academic or financial records of specific individuals, medical or categorical (race, sex, age, etc) records of specific individuals and information otherwise defined as confidential or restricted by law.

Section 7: President's Report

The President of the University or his/her appointee will make a report in writing to the SA at the end of each semester. This report will be due at the beginning of the last SA meeting of each semester. This report will include: 1) the status of all policies and departments affected by campus governance legislation during the semester, 2) the status of all SA legislative actions awaiting Presidential consideration, and 3) progress reports requested by the SA leadership on any past legislative action(s).

Section 8: Public Hearings, Forums, and Referenda

A. The SA will have the authority and responsibility to conduct public hearings, forums, and referenda concerning topics of current student interest, and to determine in other appropriate ways student needs and opinions.

B. At two times during the course of the fall and spring semesters, a student or student group (referred to as the "submitter") may submit a referendum of any topic of current student interest to the Student Assembly general body upon successful collection of support from at least 3-percent of the registered undergraduate student body (submitters should plan to collect at least 450 undergraduate signatures) according to the following procedure:

i. The referendum must contain a single or a series of referendum questions that are neutrally worded and call for a yes/no response. Once the submitter has started gathering signatures, the question may not be changed or modified in any way. Submitters must collect signatures (defined as a willfully submitted record of first name, last name, and NetID) exclusively from registered undergraduate students at Cornell University.

Digital and print solicitation methods are permitted, provided that the referendum question and sponsoring student or student organization are clearly visible. An electronic form (ex, Google form) may be used to gather the names and NetIDs of students, but the final submission must be on the appropriate form provided by the Office of the Assemblies.

ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the election materials for the Fall and for the Spring. All deadlines will be advertised through the SA newsletter as well as the other usual publicity instruments. Once a referendum question with the appropriate number of signatures has been submitted, the SA general body will roll call vote by simple majority whether to hold the referendum. The vote will also make the provision for two collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by collecting the signatures of at least 10-percent of the registered undergraduate student body using the same method described in section A. 2. Once a referendum is approved or has gathered the support of at least 10-percent of the registered undergraduate student body, the following timeline will be observed:

a. **STATEMENT PERIOD.** The Student Assembly Executive Vice President will put out a call for pro or con statements regarding the referendum question. Any member of the Cornell community may submit a statement. Each statement will be no longer than 300 words. The statements must pertain to the topic of the referendum question. The deadline for pro or con statements will be seven (7) days from when the call was first made public.

b. **PROMOTIONAL PERIOD.** Once the seven-day statement period has ended, the Student Assembly Vice President for Public Relations has a period of three (3) days to promote the referendum question and any submitted statements. The Office of the Assemblies will distribute via email to all registered undergraduate students the following: information on when and how to vote in the referendum, the referendum question, and any pro or con statements submitted.

c. **VOTING PERIOD.** The Office of the Assemblies will conduct the referendum on the next business day following the conclusion of the promotional period. The voting period will be exactly 36 hours. The Office of the Assemblies will display any pro or con statements submitted during the statement period on the poll.

iii. The Office of the Assemblies will publicly release the results of the referendum within one business day following the conclusion of the Voting Period, including the percentage of the undergraduate population that voted.

iv. If a referendum has a majority of votes in favor of the submitter, then the President of the Student Assembly will communicate the referendum question, a summary of each side of the argument, and the results of the referendum to the Office of the President in the form of a referendum action.

v. The Office of the Assemblies will record and make publicly available all communication between the President of the Student Assembly and the Office of the President.

Section 9: Authority to Appoint Delegates, Committee Members and Liaisons

A. Two members will be selected from and by the membership of the SA to serve as voting members of the UA and to act as a liaison between the UA and the SA. Elections for the two SA voting members to the UA shall be by separate secret ballots. Elections will be conducted using a single transferable vote system. The President may not be one of the SA representatives to the UA. The remaining two undergraduate student members of the UA shall be elected by the undergraduate student body at the time of SA's spring elections in the same manner as SA voting members. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Should a seat on the UA be empty, the seat shall be declared vacant. Undergraduates may not hold a directly elected seat in both the UA and the SA during the same term.

B. If at any time during the course of an academic year, a UA member elected directly from the undergraduate student body should leave his office, then the seat shall be filled by the next highest-ranking non-winning candidate. If there should not be a next highest-ranking non-winning candidate after the special election, the seat will be filled by the undesignated at-large candidate receiving the most number of votes in the preceding spring election.

C. The SA will have the authority to appoint student members of the UA committees.

D. The SA will have the authority to appoint student members to be liaisons to departments and administrators in the University.

i. During the process of committee appointments, the following two appointments must be made: liaison to the Athletic Department and liaison to the Dean of Faculty. The liaison positions shall have the responsibility of increasing the communication between the SA and the respective University departments.

ii. At the time that committee appointments are made, the SA will appoint one member to serve as Liaison to the Provost. The student will interact and work directly with the Provost on issues that affect and concern students on a regular basis during the member's term of office.

iv. At the time that committee appointments are made, the SA will appoint at least one undergraduate student to serve as liaison to the Student Health Benefits Advisory Committee. The liaison will be a voting member of the Committee.

ARTICLE IV: MEMBERSHIP

Section 1: Composition

A. General Composition - The SA will consist of 28 voting members who are registered undergraduate students at Cornell University. Up to two additional votes shall be allocated to the entire community of undergraduates as a whole present at a Student Assembly meeting on motions that express the opinion of the assembly. Such community votes shall be allowed only as provided by the Assembly in its bylaws. Eleven voting members of the SA will be elected by and from the student populations of the colleges and schools, one from each: The College of Architecture, Art and Planning; the School of Hotel Administration; the College of Human Ecology; and the School of Industrial and Labor Relations. Two each shall be elected from the College of Agriculture and Life Sciences and the College of Engineering; and three shall be elected from the College of Arts and Sciences. In addition, eleven voting members will be elected at-large by and from the University undergraduate student population as a whole; two at-large seats are to be reserved for candidates seeking the offices of President and Executive Vice President of the Student Assembly and must be explicitly designated as such; two at-large seats are to be reserved for non-constituent, undesignated at-large group candidates who do not run for President or Executive Vice President; two at-large seats are to be reserved for candidates seeking to represent minority students; one at-large seat is to be reserved for candidates seeking to represent international students; one at-large seat is to be reserved for candidates seeking to represent women's issues in relation to the broader Cornell community; one-at-large seat is to be reserved for candidates seeking to represent First Generation College Students; and one at-large seat is to be reserved for candidates seeking to represent the Lesbian, Gay, Bisexual, Transgender, Queer community. The two remaining non-constituent, undesignated at-large seats are to be contested by candidates running for President and Executive Vice President and by non-constituent, undesignated at-large group candidates not running for President or Executive Vice President. Five seats shall be elected by and from new students entering in the fall. Should there be no candidate running for a given seat, the seat shall be considered vacant.

B. Ex-officio Membership - All undergraduate members of the Cornell student body are considered non-voting members of the SA, and are encouraged to attend and participate in meetings. The SA may designate ex-officio membership to any member of the Cornell Community as deemed necessary for the operation of the Student Assembly

C. Specification of New Student Seats - Four new student seats shall be elected and held by new students entering in the fall semester. One additional seat shall be designated the Transfer Seat and shall be elected by incoming transfer students and held by a transfer student who has entered the university that fall.

D. Qualifications for Voting Membership - SA members elected from the various colleges and schools must be registered students in their respective colleges and schools by the beginning of the fall term of the academic year for which they were elected. SA members must resign their position if they cease to be a registered, full-time undergraduate student in their respective college. SA members elected at-large must be registered students at Cornell by the beginning of the fall term of the academic year for which they were elected. SA members must resign their position if they plan to be away from the Ithaca campus for an extended period of time (i.e. a semester). Any SA member who vacates their current seat after being elected or re-elected to a position will

forfeit their new seat. The forfeited position will devolve to the next runner up, should there be none the seat will be re-run in the fall elections

Section 2: Election of Voting Members

The President, Executive Vice President, and other Undesignated at Large representatives will be elected by a single transferable voting system. Voters may rank all candidates on the ballot for each of these races. All other representatives shall be elected by a plurality voting system. Voters will cast one vote per available seat, (e.g. if three Arts and Sciences representatives are to be elected, the voter will vote for three candidates).

Section 3: Terms

All elected members are elected to a term, ending on June 1st, with no limit as to the number of terms they may serve. Prior to being seated at the beginning of their term ~~the one year term~~, each member shall take the oath of office. and shall be bound to that oath for the duration of their term.

Section 4: Advisor

The University President will appoint one member of the administration to serve as consultant to the SA at its meetings.

Section 5: Absentees

Any voting members who are absent for three regularly scheduled meetings cumulatively during their term will have their position vacated. At the discretion of the Executive Committee, a member will not be counted as if they were absent for an interview for a job, graduate school, or scholarship; if they were attending a required academic event for which accommodations could not be made; if they were representing the Student Assembly in an official capacity; if they were tending to a family emergency; if they are observing a religious holiday; or if they were under the care of a physician. The Executive Committee will review each circumstance individually and will determine a decision within 7 days of the request. Executive Committee may avert such a vacancy by two-thirds of all voting members of the Executive Committee. The vote would be conducted by secret ballot. The Executive Committee should consider the reasoning for past absences, the likelihood of future absences, and the representative's supplemental actions to represent their respective constituency in making their decision. The same action must be taken if the Executive Committee wishes to avert a vacancy whenever the three consecutive absences or the six cumulative absences mark is exceeded. The Director of Elections will serve as Chair for these meetings.

Section 6: Vacancies

All vacancies will be filled by seating the highest ranked non-winning candidate in the last election from the same constituency. If the highest ranked non-winning candidate declines, the seat will be offered to the next highest ranked non-winning candidate. If this procedure has been followed and the seat still remains vacant, the SA will solicit candidates from the unrepresented constituency to serve as an interim representative following the declaration of vacancy. If there is more than one candidate, SA members will elect an interim representative to fill the vacancy by secret ballot in executive session. The candidate approved by a majority vote of SA members present will be seated. If there is only one candidate, he or she will be seated immediately. The term of the interim representative will conclude when a new representative is directly elected by the student body during a regularly scheduled election. The new representative will assume the balance of the current academic year's term upon election. If there are no candidates to serve as interim representative, such seat will be labeled Undesignated and filled by the runner-up in the Undesignated At-Large election until a new representative is directly elected by the student body during a regularly scheduled election. At the time for the next election, such seat will return to its previous designation. Vacant seats shall not figure into quorums or vote counts; only filled seats may. SA members who are college

representatives and who leave their college will vacate their seats.

Section 7: Recalling of Voting Members

A. If a voting SA member is to be recalled, they may be recalled either through their constituency, or through the SA. To be recalled through a member's respective constituency each of the following procedures must be followed in the given order:

- i. A petition for the recall of the specific SA voting member will be registered with the Office of the Assemblies before any signatures are obtained.
- ii. Petitioning for recall shall last for a period of not more than fourteen (14) days from the registration of the petition. The required number of signatures shall be: for representatives of a college constituency - 50% plus one or 1000 from that constituency, whichever is smaller; for at-large representatives - 15% of the student body. The petition will be presented to the Office of the Assemblies.
- iii. An informational forum will be scheduled and held within not more than one (1) week of the presentation of the petition, where a discussion of the recall will occur. The SA voting member must have a reasonable opportunity to attend the forum.
- iv. A special recall election will be scheduled for and held within not more than three (3) days after the informational hearing.
- v. Should the constituency vote to remove its representative the seat shall be declared vacant.

B. To be recalled by the SA, two-thirds of the voting membership must vote in favor of recalling the SA member.

Section 8: Responsibilities of Voting Members

A. SA members who represent specific college or school constituencies are required to make a reasonable effort to arrange at least two meetings a semester with their respective academic dean or associate dean(s) to discuss college/school specific issues and concerns. These representatives will then report back to the Student Assembly at the next regularly scheduled SA meeting briefing the Assembly on pertinent issues and occurrences that would take place as a result of these meetings.

B. SA members who represent specific college or school constituencies shall be charged with gathering information about their particular college and representing their respective constituencies, and voting according to their needs and desires.

C. All voting representatives shall host at least one forum or outreach activity with individuals from their respective constituencies and report all outcomes to the SA at the next regularly-scheduled meeting following such an activity

D. All representatives may communicate regularly with their constituents through e-mail mailing lists and listservs, which may be maintained by their respective college dean's office, the Department of Campus Life, the Office of the Dean of Students, or the Office of the Assemblies

E. Any Student Assembly member, including the Vice President for Public Relations, must submit a mass message (e-mail, advertisement, press release, etc) to the Executive Board for approval. The Executive Board may approve a message by a majority vote and the vote may be conducted by e-mail. The e-mail records must be saved.

ARTICLE V: AMENDMENTS

Section 1: Proposal of Amendments

This charter may be amended at any regular meeting of the assembly by a two-thirds vote of the entire voting membership, provided that the amendment has been submitted in writing at the previous regular meeting. Amendments may be presented to the assembly by voting members or by community petition with at least 100 Cornell undergraduate student signatures. Any changes made to the attendance policy after the second meeting of the term will not go into effect until the following term.

Section 2: Presidential Approval

Amendments to this Charter are subject to the approval of the President. Should the President disapprove the amendments affected by this section, the President will present a detailed verbal or written report to the SA indicating the reasons for disapproval. The report will be presented within thirty (30) days of receipt of the proposed amendments by the President.

Section 12: Review

The SA and the GPSA and a representative of the President of the University shall review these guidelines and the procedures established in accordance therewith at least every four years in a non-fee-setting year (e.g. 2014-2015, 2018-2019). This review shall be conducted with strict adherence to the guidelines set forth by the Board of Trustees in Attachment A: Criteria for Setting and Allocating the Student Activity Fee (03/01/99).

Section 13: Criteria for Setting and Allocating the Student Activity Fee from the March 1, 1999

Delegation of Authority

- A. Pursuant to a letter dated March 1, 1999, the President of the University has delegated responsibility for the setting and allocation of the Student Activity Fee to the Student Assembly (SA) and the Graduate & Professional Student Assembly (GPSA) within the following guidelines:
- B. The SA and the GPSA shall each amend their respective charters to include the criteria for the setting and allocation of the Student Activity Fee, including the guidelines set forth herein and which criteria shall be reviewed by and meet the approval of the President of the University.
- C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set every two years for a period of two years by the SA and the GPSA, respectively.
- D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-setting year. The final report must be sent to the President of the University by the last day of finals of the fall semester.
- E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee, an organization must meet the following criteria:
 - i. Register as a student or university organization with the Student Activities Office
 - ii. Allow students equal access to the services being provided by the organization or participation in the organization's activities
 - iii. Operate primarily for students by students with funds disbursed through a university operating account
 - iv. Have an advisor to assist with oversight of the university operating account.
- F. Funding from the monies collected through the Student Activities Fee may be provided directly to an organization, which applies for and receives "by-line" funding status, outside of the established Student Activities Funding Commission or Graduate and Professional Student Activities Funding Commission processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding must demonstrate:
 - i. Its activities are of direct and primary benefit to the entire Cornell community represented by the respective assembly; and
 - ii. It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.

G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are not registered organizations (e.g., Students Helping Students, dub insurance) but whose organizational structure and programs and services are consistent with the criteria outlined above for by-line funded organizations. Such funding would require the approval of the respective assembly and the President of the University.

H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-line funded organizations and the Student Activities Funding Commission or Graduate and Professional Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-by-line funded organizations.

I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be permitted to increase the Student Activities Funding Commission's allocation above their request to reach an even dollar amount.

J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full amount of the Student Activity Fee, due to the funding instability inherent in administering such a system. Exceptions may be considered if recommended and approved by the respective assembly and approved by the President of the University.

K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the GPSA and a representative of the President of the University at least every four years in a non-fee-setting year.

APPENDIX B: STUDENT ASSEMBLY GUIDELINES FOR FUNDED ORGANIZATIONS

Section 1: Preamble

Each organization that receives funding from the Student Assembly (SA) through the Student Activity Fee (SAF) is subject to Guidelines set by the Assembly in consultation with the Graduate & Professional Student Assembly (GPSA), these organizations, and the Cornell student body.

Section 2: Student Assembly's Role and Obligations

A. **SA Charge:** As the student-elected governing body at Cornell University, the SA shall seek out and voice effectively the interests and concerns of the student body.

B. **Notice of Current Governing Documents:** The SA shall provide each by-line funded organization, the Director(s) of Student Activities, Campus Life, the GPSA, and the Dean of Students with a current copy of these Guidelines, as well as the SA Charter and the SA Appropriations Committee Charge and Guidelines each year.

C. **Notice of Pending Legislation:** Each by-line funded organization, the Director(s) of Student Activities, Campus Life, the GPSA, and the Dean of Students shall be notified of any SA, SA Appropriations Committee, or other meeting in which legislation concerning or affecting Fee recipients is pending.

D. **Outreach:** The SA Vice-President for Finance shall, wherever possible and as often as possible, attend meetings of each organization throughout the year.

E. Enforcement, Violations & Penalties

i. The SA Vice-President for Finance shall be charged with investigation of all accusations regarding violations of these guidelines and will report such findings to the SA.

ii. If the SA determines that an organization has committed a violation, the SA may impose a fine, reduction, or revocation of the organization's by-line funding allocation. In order for a fine, reduction, or revocation of funding to occur, a two-thirds majority of the SA must concur. Reasons for a fine, reduction, or revocation of funding include, but are not limited to: violation of these rules, violation of campus policies, or violation of contract. Any money garnered from a fine on an organization shall be placed in the Special Projects Fund of the Student Assembly. If a reduction or revocation of

funding affecting the remainder of the funding cycle occurs, the University shall attempt to reduce the SAF to reflect the lower amount. Accepting that, the money shall revert to the Special Projects Fund.

Section 3: General Guidelines

All recipients of the SAF shall adhere to the following guidelines:

- A. **Eligibility:** SAF allocations are to be used primarily for the benefit of undergraduate students. Organizations that have the capability to be student run and led shall be primarily student run and led.
- B. **Event Ticketing:** For all events (concerts, lectures, films, etc) funded by Fee allocations and for which admission is charged:
 - i. Cornell students shall receive a reasonable discount per event to reflect their prior contribution via the SAF.
 - ii. Cornell students shall receive the first opportunity to purchase tickets (otherwise, the Organization should have a substantial amount of tickets reserved for student use).
 - iii. The Appropriations Committee or the Executive Committee shall have the ability to request that organizations publish a report to the SA on the amount of money received for an event, where that money has been allocated, and how much money was spent on the event.
- C. **Attendance Tracking:** Each By-line Funded Organization shall, whenever possible, provide accurate attendance figures. Such figures may be acquired through a number of measures including: swiping Cornell IDs, using a ticketing system, keeping a sign-in sheet, or having someone at the door count entrants. For events that are expected to exceed a capacity of 100 attendees, organizations are required to track attendance through a ticketing system or using Cornell ID Scanners. For organizations unable to purchase their own scanners, scanners will be available to rent through the Office of the Assemblies. For events where tracking attendance would provide an unnecessary burden to organizations, a brief written statement explaining why attendance was not taken is required.
- D. **Public Promotion & Engagement:** Each organization shall regularly advertise its existence and encourage student participation at its meetings, which shall be open to the public.
- E. **Capital Expenditures:** SAF allocations are meant to serve as a “current account.” No organization shall use its fee allocations for major capital equipment purchases costing more than \$500 without the express approval of the SA. Organizations shall request approval in their annual fall report to the SA. A major capital equipment purchase shall be defined as anything having a useful life of two years or more.
- F. **Funds Partitioning:** SAF money will preferably be held in a separate University account for accounting and reporting purposes. Otherwise all expenditures from SAF money shall be authorized by the Organization in accordance with its governing documents.
- G. **SA Liaisons:** The SA shall have the option of appointing a Student Assembly member to serve as a non-voting liaison to each organization, or, where appropriate, to its Executive Board. If an organization feels their liaison is failing in their duty, a new liaison may be appointed.
- H. **Off-year Reporting:** During the fall of even-numbered calendar years each organization shall provide the Appropriations Committee with a written account of the use of its fee allocation and operations for the previous academic year, and an oral summary of its activities, including usage statistics and future programming plans. The SA Vice President for Finance will conduct an unofficial vote regarding the committee’s recommendation on whether or not the organization should receive an increase in funding, a decrease in funding or maintenance of funding at its current level. The SA Vice President for Finance shall then provide a written summary report of these meetings to the SA.
- I. **New Organization Reporting:** Organizations receiving By-Line funding for the first time in the current funding cycle shall report each semester to the Appropriations Committee on their operations and finances.

J. **Conferences:** Organizations may send Executive Board member(s) to one annual conference, if desired. The Appropriations Committee must approve Organizations' conference expenditures and each organization must demonstrate to the committee that conference attendance will benefit the organization's ability to achieve its mission statement. Organizations shall request approval in their annual fall report to the SA. All conferences, teambuilding, banquets training, and other social expenditures for organization members, in sum, shall be no greater than \$4,000, or 10% of the organization's by-line allocation, whichever is less. This rule shall not apply to SAFC-funded organizations.

K. **Governing Document Approval:** All organizations must submit any changes in the Organizations' bylaws, constitution, or other governing documents to the SA for approval.

L. **Non-discrimination:** All organizations receiving Student Activity Fee funds directly or that receive such funds indirectly from a By-line funded organization shall not discriminate on the basis of actual or perceived age, color, disability, ethnicity, gender identity or expression, marital status, national origin, race, religion, sex, sexual orientation, veteran status, or any combination of these factors when determining its membership and when determining the equal rights of all general members and executive board members, respectively, which shall include, but are not limited to, voting for, seeking, and holding positions within the organization. Additionally, all organizations receiving funding from the Student Activity Fee and that serve as a funding source for other organizations on campus shall not discriminate on the basis of actual or perceived age, color, disability, ethnicity, gender identity or expression, marital status, national origin, race, religion, sex, sexual orientation, veteran status, or any combination of these factors when awarding funding.

i. Notwithstanding these requirements, a club sport may make requirements based on competitive athletic skill, which may result in a club sport of one or predominantly one gender. Organizations may also make requirements based on vocal range or quality which may result in a chorus or choruses of one or predominantly one gender. Organizations that participate in activities with governmental age restrictions may also make appropriate requirements on the basis of age.

ii. Organizations may also enforce uniform standards of belief or conduct as a prerequisite for obtaining some or all rights of general members and executive board members, respectively, so long as said standards are protected by the 1st Amendment of the United States Constitution in the context of a public university and do not impede enforcement of Appendix B, Section II.E

iii. Each organization receiving Student Activity Fee funds directly from the Student Assembly shall include a "Non-discrimination Clause" section in its by-laws, constitution or other governing documents reflecting this policy.

M. **"Use of Funds for Alcohol:** The use of funds for the purchase of alcohol must adhere to University Policy §4.8 Alcohol and other Drugs (for Students, Staff, Faculty and Visitors)

 - a. arrange a hearing where the proposers of the application may address questions of the committee,
 - b. determine if the application is eligible to receive a funding gift from the SAIF,
 - c. decide what funding gift an eligible application should receive, if any, by voting on the funding gift requested by the applicant and all funding gifts proposed by voting members of the SAIFC in decreasing order, beginning with the largest funding gift, and / or approving:
