

Cornell University Student Assembly

Organization	Cornell Minds Matter
2018 – 2020 Allocation	\$2.00
2020 – 2022 Request	\$2.50
Appropriations Committee Recommendation	\$2.50

Rationale of the Committee

The Committee voted to fund Cornell Minds Matter (CMM) at \$2.50 for the 2020-2022 Byline Funding Cycle.

The Committee was very impressed with the thorough presentation and budget breakdown that CMM gave and supports the work CMM does to help students and destigmatize seeking mental health help. The Committee supports CMM becoming an umbrella organization for other mental health oriented groups on campus but would like to see a structure and criteria regarding how the \$10,000 for co-sponsorships would be allocated to different organizations requesting funds.

Also, although the surplus was explained, we would love to see CMM use as much of their budget as possible every year, as we know the importance of mental health and mental health awareness on our campus and we look forward to all the programming that CMM has planned for the upcoming years.

Overall, The Committee wants to thank Cornell Minds Matter for all that they do to help support students on our campus and we look forward to working with them in the future.

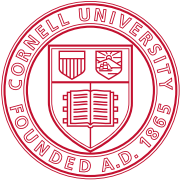

Vote Totals
