<b>Organization</b>	<b>ECO: Cornell Environmental Collaborative</b>
2018 – 2020 Allocation	\$0.76
2020 – 2022 Request	\$0.76
<b>Appropriations Committee Recommendation</b>	<b>\$1.00</b>

### Rationale of the Committee

---

The Committee voted to fund ECO at \$1.00 for the 2020-2022 Byline Funding Cycle.

The Committee was very impressed with the presentation that ECO gave and feels that the environmental sustainability movement at Cornell is underdeveloped and could greatly benefit from an increase in funding. The Committee supports the work that ECO does to work with 20+ environmentally minded organizations to spread awareness around and work towards a more sustainable campus and world.

Overall, The Committee is happy with the work that that ECO has done and continues to do.

### Vote Totals

---

The committee votes down from the highest amount proposed to the lowest, to give the group the advantage.

The vote totals from the Committee were as follows:

<b>Amount</b>	<b>Vote</b>
\$1.00	8-1-0
