194 documentation of its dollar value is not provided.

197 conducted at arm's length.
  - 198 c. For donated materials, professional services, or other goods for which no official receipt is  
199 provided, candidates must seek the most plausible assessment of the fair market value of the  
200 good. Professional services will be defined as any work for which the given individual/donor is  
201 typically compensated. Volunteer time donated by full-time students will not be considered  
202 professional services.

217 candidates. If an organization chooses to endorse a candidate, it is expected to abide by the guidelines  
218 below.

- 219 1. Student Activities Funding Commission (SAFC) funded and Student Activity Fee (SAF) byline  
220 funded organizations may endorse candidates. All groups must act in a way that is fair and balanced  
221 when deciding on the endorsement of candidates.
- 222 2. The Elections Committee may recommend that the SA impose fines on or revoke allocated funds  
223 from organizations failing to comply.

## Cornell University Student Assembly

- 281 4. During a Challenge Review Meeting, the interpretation of the Elections Rules will lie with the sitting  
282 Elections Committee. The JCC's decision making process may only override the Committee's decision  
if and only if the Elections Committee did not follow the procedure outlined in the Elections Rules.
- 283 5. Elections Committee members are expected to abide by the highest standards of personal conduct  
284 and integrity. Students are mandated to excuse themselves from serving on the Elections Committee  
285 if they plan to take part in a campaign. Therefore, members should not be involved in the  
286 campaigning process. All conflicts should be considered and resolved before the election cycle  
287 begins. Elections Committee members may not sit on the Executive Board of an organization that  
288 endorses candidates in an SA election. If an Elections Committee member sits on the Executive  
289 Board of an organization or sat on that Executive Board at any time during the same semester of a  
290 particular SA election, that organization may not endorse candidates in that SA election, or that  
291 Elections Committee member must resign from the Elections Committee.
- 292 6. The Elections Committee should be prepared to meet immediately following the challenge deadline  
293 to rule on all pertinent challenges. The Elections Committee shall use Robert's Rules of Order to  
294 consider challenges, in addition to the election rules. In the event of conflict, these election rules  
295 supersede Robert's Rules of Order. The Elections Committee has no power to overrule the election  
296 rules under any circumstances.
- 297 7. The Director of Elections shall give a final report on the results of the election when there are no  
298 remaining unresolved matters.
- 299 8. For the benefit of the students, the Elections Committee shall establish voting booths across  
300 campus on the days of the election. Committee members will ensure that no campaigning occurs  
301 within 25 feet of a voting booth.

### 302 **C. Independence of the Elections Committee**

- 303 1. While members of the Elections Committee are expected to abide by the highest standards of  
304 integrity, they also enjoy independence from undue interference. Hence, students may not falsely  
305 accuse, harass, threaten or coerce any member of the Elections Committee for actions taken in their  
306 official capacity.
- 307 2. Subject to the determination of the Elections Committee, any violation of this section can result in  
308 temporary or permanent disqualification from contesting elections to the SA or UA.

### 309 **D. Voting and Tabulation**

- 310 1. The order in which names appear on the ballot shall be randomly selected.
- 311 2. Uncontested candidates will not be listed for a vote on the ballot and will be deemed victorious  
312 pending the resolution of challenges.
- 313 3. Results for challenged races will be posted after the Elections Committee has ruled on those  
314 challenges.
- 315 4. The Elections Committee will not have access to the results prior to and during challenge  
316 deliberations. The Office of Assemblies will release election results after the Elections Committee  
317 has validated the election results.
- 318 5. A printout of election results for qualifying candidates shall be available in the Office of the  
319 Assemblies, 109 Day Hall, for one year following the election. Disqualified candidates will not have  
320 their vote tallies made available.
- 321 6. The Student Assembly election results will be sent out to the entire student body via email using the

322 Assembly's monthly email.

## 323 E. Challenges

### 324 1. Eligibility to Challenge

- 325 1. Any member of the Cornell community may submit a challenge.
- 326 2. The Director of Elections may submit a challenge.
- 327 3. The Elections Committee as a body may submit a challenge by majority vote.
- 328 4. Individual committee members, except the Director of Elections, may not submit a challenge.

### 329 2. Challenge Deadlines

- 333 1. Election challenges must be submitted by the election challenge deadline specified in the elections  
334 calendar.
- 335 2. The Director of Elections or the Elections Committee by a majority vote can submit a challenge at  
336 any time before the declaration of results.
- 337 3. No challenges will be accepted after these deadlines.
- 338 4. Once submitted, a challenge becomes part of the formal record, and may not be withdrawn except  
339 by the explicit permission of the Director of Elections.

### 340 3. Format of Challenges

341 Challenges must be in writing, submitted on the signed Challenge Form, and accompanied by the following  
342 supporting documentation:

- 343 1. Challenger's name
- 344 2. Candidate's name
- 345 3. Date of challenge
- 346 4. Reason for challenge and supporting evidence

### 347 4. Notification of Election Challenges

348 The Office of the Assemblies will notify the Director of Elections who will send an email notifying anyone  
349 who is named in an election challenge. The email will contain a scanned copy of the challenge.

### 350 5. Response to Election Challenges

351 A challenged candidate may review challenges to which they are a party in the Office of the Assemblies, 109  
352 Day Hall, and address written statements in response to the committee. The challenged candidate may  
353 request a hearing in person with the committee.

### 354 6. Challenge Review Meeting

355 The committee will schedule a meeting to review challenges in Executive Session. Quorum for a challenge  
review meeting will consist of two-thirds of the seated membership of the Elections Committee. The  
committee, less  
356 temporarily recused members, will provide an opportunity for the challenged candidate to respond in  
357 person if requested by the challenged candidate or a member of the committee. For each challenge, the

358 committee will determine:

- 359 1. Whether a preponderance of evidence substantiates each alleged violation. This vote will be taken  
360 for each violation individually, and a majority of the seated membership of the Elections Committee  
361 is required to declare that a preponderance of evidence substantiates each violation;  
362 2. Which, if any, substantiated violations or combination thereof compromised the fairness of the  
363 election and constituted a material advantage to the extent the challenged candidate should be  
364 disqualified. If the committee finds either that a single substantiated violation or that a combination  
365 of substantiated violations should require the disqualification of a candidate, the Elections Committee, with at  
least two-thirds of the members present of the Elections Committee voting in the affirmative, may  
disqualify the candidate.

## 366 7. Written Report

- 367 1. For each rule violation, the Director of Elections or a member of the Elections Committee as  
368 delegated by the Director will create a written report thoroughly detailing the challenge(s), listing the  
369 tallies of all votes taken by the committee including the bifurcated voting process, the decision  
370 made, and how the decision was reached.  
371 2. The report is kept confidential and only released to the challenged candidate and the challenger(s).  
372 3. A copy, with all names other than the challenged candidate redacted, is kept in the Office of the  
373 Assemblies, 109 Day Hall.  
374 4. For each challenge, the committee will report to the challenger(s) and the challenged candidate all  
375 evidence received/found, any violations substantiated, and any decisions to disqualify the challenged  
376 candidate.

## 377 8. Reconsideration

- 378 1. If the committee determines a candidate should be disqualified, the candidate may request  
379 reconsideration within twenty-four hours of receiving the written report. To be reconsidered, the  
380 candidate seeking such reconsideration must submit a request in writing to the Office of the  
381 Assemblies, via email to [assembly@cornell.edu](mailto:assembly@cornell.edu), and the Director of Elections. The statement should  
382 address the specific findings in the written report to be reconsidered and should detail the specific  
383 points where the Elections Committee failed to correctly enforce these Elections Rules.
