S.A. Resolution # 71
2015 Performance Tier SAFC Appeals

Abstract: This resolution explains the decision of the Appropriations Committee regarding SAFC Appeals related to Performance Tier placement.

Sponsored by: Matthew Stefanko '16

Touchtones:

Whereas, the Appropriations Committee voted that the SAFC did not err in denying placement into the Performance Tier for the Touchtones by a 1-8-1 vote. The committee felt that their inaccurate budgeting, lower attendance levels compared to other a cappella organizations, and a lack of national recognition justified the Touchtones' score and the rejection of Performance Tier placement.

Men's Ultimate Team:

Whereas, the Appropriations Committee voted that the SAFC did not err in denying placement into the Performance Tier for the Men's Ultimate team by a 2-5-3 vote. The committee felt that the low national ranking, numerous ultimate Frisbee teams that receive SAFC funding, and an inability to host major tournaments justified the Buds' score and the rejection of Performance Tier placement.

Be it finally resolved, that the Assembly adopt the following recommendations of the Appropriations Committee:

- The SAFC did not err in denying Performance Tier placement to the Touchtones
- The SAFC did not err in denying Performance Tier placement to the Men's Ultimate Team
