S.A. Resolution # 66
Cornell University Class Councils Constitution Changes
Reducing Institutional Barriers to Promote Fairness and Foster
Inclusivity in CUCC Elections Process

Sponsored by: Don Muir '15, Sydney Reade '15, Lena Liu '15, Matt Stefanko '16

Whereas, Cornell University Class Councils is a byline funded student organization, with the purpose of fostering school spirit and pride amongst each respective class

Whereas, byline funded student organizations should seek to maximize participation and inclusivity of all undergraduate students through effective, engaging and high-impact programming

Whereas, high-impact programming is best enacted by a diverse array of student leaders who are representative of the underlying student body

Whereas, certain CUCC constitutional clauses may adversely impact the degree to which students participate in the CUCC elections process

Whereas, a fair, transparent and open elections process would best serve CUCC's organizational purpose, maximizing participation, reach, and programming capacity

Whereas, the Student Assembly, as elected leaders of the student body, should ensure that the Class Council's elections process is fair, transparent and easily accessible to all undergraduate students

Be it therefore resolved, that the Student Assembly approve the changes to Cornell University Class Council's constitution, as outlined in the attached document.

Respectfully Submitted,

Don Muir '15

Senior Class President, Cornell University Class Councils

Sydney Reade '15

Elections Chair, Cornell University Class Councils

Lena Liu '15
