32
33 **Whereas**, when compared to compared to Ivy League institutions that provide free printing credits,
34 Cornell does not fare well in the STARS® (Sustainability Tracking, Assessment & Rating
35 System™) subscore for office paper purchasing due to its use of less- or non-recycled paper;

36
37 **Whereas**, data on Cornell's income and expenditure related to the Net-Print initiative is not available
38 publicly, or to the members of the S.A., posing obstacles for legislative efforts to respond to
39 student demand for Net-Print pricing scheme reform;

41 **Whereas**, Appendix A of this resolution provides a detailed overview of peer institutions' printing
42 policies and the undergraduate student body's perception of the Net-Print system;

Cornell University Student Assembly
