S.A. Resolution #33

Increasing Access to Gender Neutral Bathrooms on Campus

ABSTRACT: This resolution calls for increasing access to gender neutral bathrooms across campus.

Sponsored by: Ian Wallace '20, Lavanya Aprameya '19

Whereas, transgender and gender non-conforming persons may face discomfort and discrimination when using gendered bathrooms;

Whereas, the university has made strides in increasing access to gender neutral bathrooms since SA resolution 21, "Availability of Accessible Gender-Neutral Bathrooms and Locker Rooms on Campus" was adopted during the 2011-12 school year;

Whereas, bathrooms in dorms on West Campus operate under the gender inclusive "E" system;

Whereas, Cornell Maps shows locations for all-gender bathrooms across campus;

Whereas, many buildings used heavily by undergraduates contain no gender neutral Bathrooms;

Whereas, Robert Purcell Community Center and Appel Commons, two important community centers for freshman, contain no gender neutral bathrooms;

Whereas, students should not require a map to find a bathroom they can use;

Whereas, existing gendered bathrooms can be converted into gender neutral bathrooms promptly and cost-effectively;

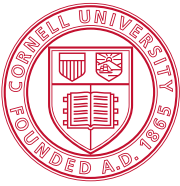

Be it therefore resolved, that Cornell University set the goal for itself that every building on campus will contain at least one gender neutral bathroom;

Be it further resolved, that the University will redesignate existing multi-stall bathrooms to be all-gender;

Be it further resolved, in future renovations Cornell University will incorporate designs for all-gender inclusive restrooms;

Be it further resolved, that Willard Straight Hall enters a trial period in which all bathrooms on the fourth floor be designated all-gender;

Be it further resolved, that the "E" system by expand to encompass all dorms on west;
