

1 Resolution 38: Adjusting the 2024-2026 Student
2 Activity Fee Allocations for the Cornell University
3 Program Board and the Tatkon Center for New
4 Students

5 **Abstract:** This resolution recommends the adjustment of the Cornell University Programming Board
6 (CUPB) allocation from \$17.00 to \$15.39 and the Tatkon Center for New Students recommended
7 allocation should be increased from \$12.25 to \$13.86 for the 2024-2026 SAF Cycle.

10 **Type of Action:** Recommendation

11 **Originally Presented:** 11/09/2023

12 **Current Status:** New Business

13 **Whereas,** the Student Assembly has approved the Appropriations Committee's recommendation of
14 \$17 for the Cornell University Programming Board (CUPB) for the 2024-2026 SAF Allocation
15 Cycle.

16 **Whereas,** the Student Assembly's Appropriations Committee has recommended \$12.25 for the
17 Tatkon Center for New Students for the 2024-2026 SAF Allocation Cycle.

18 **Whereas,** the Tatkon Center for New Students Orientation has appealed this recommendation,
19 maintaining their initial request of \$14.20. The Director of the Takton Center expressed that the
20 Appropriations Committee's recommendation would not provide sufficient funding to host a
21 speaker event during orientation week.

22 **Whereas,** historically, the Cornell University Programming Board and the Tatkon Center for New
23 Students Orientation have partnered to host a speaker event during orientation, allowing both
24 organizations autonomy over the invited speaker and a 50/50 split in payment for said speaker.

25 **Be it therefore resolved,** that the CUPB recommended allocation should be decreased from \$17.00
26 to \$15.39 (approximately \$25,000 assuming a student population of 15,500) to a recommended
27 allocation of \$15.39, and the Tatkon Center recommended allocation should be increased from
28 \$12.25 to \$13.86 for the 2024-2026 SAF Cycle.

29 **Be it finally resolved**, the Appropriations Committee considers the orientation speaker event to be
30 split 50/50 between CUPB and the Tatkon Center for New Students in the 2026-2028 SAF
31 Allocation cycle.
