**Abstract:** Following the passage of GPSA Resolution 18 Financial Incentive for Executive Committee (2021-2022) suggestions were given to the GPSA Executive Committee by President Pollack to make changes to the GPSA Charter by adding provisions for the GPSA to be able to fund its leadership, stated within Appendix B of the GPSA Charter.

**Whereas,** GPSA Resolution 18 Financial Incentive for Executive Committee (2021-2022) was passed by the GPSA on April 25th, 2022 with a 15-0-2 vote.

**Whereas,** the GPSA received a response from President Pollack regarding GPSA Resolution 18 (2021-2022) stating that “As the GPSA is a byline-funded organization, funded in whole by the student activity fee, Appendix B in the GPSA Charter provides guidelines and parameters for how each funded organization may use its allocation. To be in compliance with your charter, I recommend revising the Appendix B to include provisions that allow the GPSA to fund its leadership. The GPSA Bylaws then set forth the procedure for executing the process of setting the GPSA Internal Budget.”

**Whereas,** section 5.03 Additional Obligations for Specific Byline Organizations of the GPSA Charter outlines the rules of byline funded organizations and ways they are allowed to use their funding.

**Be it therefore resolved,** a sixth guideline will be added to the GPSA specific byline organization guidelines stating: “The GPSA is authorized to provide a financial incentive to the GPSA Executive Board members with three separate payments extended during the summer, fall, and spring semesters.

- a. As of April 25th, 2022 each of these payments are \$500, totaling \$1500 per GPSA Executive Committee member, per academic year.
- b. At the start of each new GPSA session, the Executive Committee financial incentive will be approved as a budget line item and is able to be amended by a majority vote of the assembly.

Respectfully Submitted,

Preston Hanley
