65 actions will be reported following each meeting by a SA member designated by the SA.

68 during the preceding year and, in addition, describe any unresolved issues that are expected to arise in the
69 future. All members of the Cornell community will have access to this report. The report must be approved

81 Section 5: University Calendar

- 82 A. The Provost will consult with the SA in the formulation of the University Calendar. The SA may review and
83 ask for reconsideration of the calendar before it becomes final. In addition, the SA may propose changes in

87 Section 6: Presidential Information

- 88 The SA may request and obtain specific information from the President of the University regarding any subject which

95 Section 7: President's Report

96 The President of the University or his/her appointee will make a report in writing to the SA at the end of each
97 semester. This report will be due at the beginning of the last SA meeting of each semester. This report will include: 1)
98 the status of all policies and departments affected by campus governance legislation during the semester, 2) the status
99 of all SA legislative actions awaiting Presidential consideration, and 3) progress reports requested by the SA leadership
100 on any past legislative action(s).

101 Section 8: Public Hearings, Forums, and Referenda

- 102 A. The SA will have the authority and responsibility to conduct public hearings, forums, and referenda
103 concerning topics of current student interest, and to determine in other appropriate ways student needs and
104 opinions.
- 105 B. At two times during the course of the fall and spring semesters, a student or student group (referred to as the
106 "submitter") may submit a referendum of any topic of current student interest to the Student Assembly
107 general body upon successful collection of support from at least 3-percent of the registered undergraduate
108 student body (submitters should plan to collect at least 450 undergraduate signatures) according to the
109 following procedure:
- 110 i. The referendum must contain a single or a series of referendum questions that are neutrally worded
111 and call for a yes/no response. Once the submitter has started gathering signatures, the question may
112 not be changed or modified in any way. Submitters must collect signatures (defined as a willfully
113 submitted record of first name, last name, and NetID) exclusively from registered undergraduate
114 students at Cornell University. Digital and print solicitation methods are permitted, provided that the
115 referendum question and sponsoring student or student organization are clearly visible. An electronic
116 form (ex, Google form) may be used to gather the names and NetIDs of students, but the final
117 submission must be on the appropriate form provided by the Office of the Assemblies.
- 118 ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the
119 election materials for the Fall and for the Spring. All deadlines will be advertised through the SA
120 monthly newsletter as well as the other usual publicity instruments. Once a referendum question with
121 the appropriate number of signatures has been submitted, the SA general body will roll call vote by
122 simple majority whether to hold the referendum. The vote will also make the provision for two
123 collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT
124 hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than
125 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by
126 collecting the signatures of at least 10-percent of the registered undergraduate student body using the
127 same method described in section A. 2. Once a referendum is approved or has gathered the support
128 of at least 10-percent of the registered undergraduate student body, the following timeline will be
129 observed:

The deadline for pro or con statements will be seven (7) days from when the call was first made public.
- b. PROMOTIONAL PERIOD. Once the seven-day statement period has ended, the Student Assembly Vice President for Public Relations has a period of three (3) days to promote the referendum question and any submitted statements. Section 9: Authority to Appoint Delegates, Committee Members and Liaisons

- A. Two members will be selected from and by the membership of the SA to serve as voting members of the UA and to act as a liaison between the UA and the SA. Elections for the two SA voting members to the UA shall be by separate secret ballots. Elections will be conducted using a single transferable vote system. The President may not be one of the SA representatives to the UA. The remaining two undergraduate student members of the UA shall be elected by the undergraduate student body at the time of SA's spring elections in the same manner as SA voting members. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Should a seat on the UA be empty, the seat shall be declared vacant. Undergraduates may not hold a directly elected seat in both the UA and the SA during the same term.

Five seats shall be elected by and from new students entering in the fall. Should there be no candidate running for a given seat, the seat shall be considered vacant.

B. Ex-officio Membership – All undergraduate members of the Cornell student body are considered non-voting members of the SA, and are encouraged to attend and participate in meetings. The SA may designate ex-officio membership to any member of the Cornell Community as deemed necessary for the operation of the Student Assembly

C. Specification of New Student Seats – Four new student seats shall be elected and held by new students entering in the fall semester. One additional seat shall be designated the Transfer Seat and shall be elected by incoming transfer students and held by a transfer student who has entered the university that fall.

D. Qualifications for Voting Membership - SA members elected from the various colleges and schools must be registered students in their respective colleges and schools by the beginning of the fall term of the academic year for which they were elected. 241 The University President will appoint one member of the administration to serve as consultant to the SA at its
242 meetings.

243 Section 5: Absentees

244 Any voting members who are absent for three regularly scheduled meetings cumulatively during their term will have
245 their position vacated. At the discretion of the Executive Committee, a member will not be counted as if they were
246 absent for an interview for a job, graduate school, or scholarship; if they were attending a required academic event for
247 which accommodations could not be made; if they were representing the Student Assembly in an official capacity; if
248 they were tending to a family emergency; if they are observing a religious holiday; or if they were under the care of a
249 physician. The Executive Committee will review each circumstance individually and will determine a decision within 7
250 days of the request. Executive Committee may avert such a vacancy by a two-thirds (2/3) vote of seated voting
251 members of the Executive Committee. The vote would be conducted by secret ballot. The Executive Committee
252 should consider the reasoning for past absences, the likelihood of future absences, and the representative's
253 supplemental actions to represent their respective constituency in making their decision. The same action must be
254 taken if the Executive Committee wishes to avert a vacancy whenever the three cumulative absences mark is
255 exceeded. The Director of Elections will serve as Chair for these meetings.

256 Section 6: Vacancies

257 All vacancies will be filled by seating the highest ranked non-winning candidate in the last election from the same
258 constituency. If the highest ranked non-winning candidate declines, the seat will be offered to the next highest ranked
259 non-winning candidate. If this procedure has been followed and the seat still remains vacant, the SA will solicit
260 candidates from the unrepresented constituency during the first two weeks of the academic term immediately
261 following the declaration of vacancy. If there is more than one candidate, an election will be held within the
262 appropriate constituency, and the winner will be seated. If there is only one candidate, he or she will be seated
263 immediately. If there are no candidates for a particular vacant seat, such seat will be labeled Undesignated and filled by
264 the runner-up in the Undesignated At-Large election. At the time for the next election, such seat will return to its
265 previous designation. Vacant seats shall not figure into quorums or vote counts; only filled seats may. SA members
266 who are college representatives and who leave their college will vacate their seats. Should a seat remain vacant or be
267 vacated following the special election and there are no non-winning candidates from that constituency to fill the
268 position, it shall be filled by the undesignated at-large candidate receiving the most number of votes in the preceding
269 spring election. Should an undergraduate seat on the UA remain vacant after following these procedures, the SA may
270 appoint an individual to assume the UA seat.

271 Section 7: Recalling of Voting Members

Deleted: 19

Cornell University Student Assembly

- A. If a voting SA member is to be recalled, they may be recalled either through their constituency or through the SA. To be recalled through a member's respective constituency each of the following procedures must be followed in the given order:

Section 8: Responsibilities of Voting Members

- SA members who represent specific college or school constituencies are required to make a reasonable effort to arrange at least two meetings a semester with their respective academic dean or associate dean(s) to discuss college/school specific issues and concerns. These representatives will then report back to the Student Assembly at the next regularly scheduled SA meeting briefing the Assembly on pertinent issues and occurrences that would take place as a result of these meetings.
- SA members who represent specific college or school constituencies shall be charged with gathering information about their particular college and representing their respective constituencies, and voting according to their needs and desires.

486 Student Assembly

487 **Section 8: Freedom of Information**

488 Unless otherwise noted, all documents regarding the SAF shall be considered public and shall be available to members
489 of the Cornell community for review within 24 hours of their request. All deliberations regarding allocations and

491 session is necessary to review or discuss confidential materials, discussion in such session must be limited only to
492 those materials and no vote may be taken regarding the disposition of the request itself. Confidential materials may be
493 disclosed publicly only at the discretion of authorized university personnel.

494 **Section 9: Conference with GPSA**

495 If a disparity arises in funding levels between the GPSA and SA of an organization that is funded by both, the
496 financial officers of each body will meet to discuss the discrepancy and recommend action to their respective bodies.

497 **Section 10: Default**

498 If the Assembly does not adopt a recommendation in the fall semester of a fee setting year, its recommendation shall
499 be presumed to be that all individual by-lines revert to the same level as in the current funding cycle with the
500 following exception:

- 501 1. Should an applicant's newly approved allocation be less than that of the current cycle, the applicant shall
502 receive the lower allocation.

503 **Section 11: Amendments**

504 Appendix A may be amended by a two-thirds (2/3) vote of the Student Assembly. In order to ensure consistency and
505 fairness to the applicants and student body at-large, no amendments to this appendix may be adopted during the fall

512 **Section 13: Criteria for Setting and Allocating the Student Activity Fee from the**
513 **March 1, 1999 Delegation of Authority**

- 514 A. Pursuant to a letter dated March 1, 1999, the President of the University has delegated responsibility for the
515 setting and allocation of the Student Activity Fee to the Student Assembly (SA) and the Graduate &
516 Professional Student Assembly (GPSA) within the following guidelines:
- 517 B. The SA and the GPSA shall each amend their respective charters to include the criteria for the setting and
518 allocation of the Student Activity Fee, including the guidelines set forth herein and which criteria shall be
519 reviewed by and meet the approval of the President of the University.
- 520 C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set
521 every two years for a period of two years by the SA and the GPSA, respectively.
- 522 D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of
523 the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting
524 process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the
525 applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-
526 setting year. The final report must be sent to the President of the University by the last day of finals of the fall
527 semester.
- 528 E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee,
529 an organization must meet the following criteria:
- 530 i. Register as a student or university organization with the Student Activities Office
- 531 ii. Allow students equal access to the services being provided by the organization or participation in the
532 organization's activities
- 533 iii. Operate primarily for students by students with funds disbursed through a university operating
534 account
- 535 iv. Have an advisor to assist with oversight of the university operating account.
- 536 F. Funding from the monies collected through the Student Activities Fee may be provided directly to an
537 organization, which applies for and receives "by-line" funding status, outside of the established Student
538 Activities Funding Commission or Graduate and Professional Student Activities Funding Commission
539 processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding
540 must demonstrate:
- 541 i. Its activities are of direct and primary benefit to the entire Cornell community represented by the
542 respective assembly; and
- 543 ii. It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.
- 544 G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are
545 not registered organizations (e.g., Students Helping Students, club insurance) but whose organizational
546 structure and programs and services are consistent with the criteria outlined above for by-line funded
547 organizations. Such funding would require the approval of the respective assembly and the President of the
548 University.

- 549 H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-
550 line funded organizations and the Student Activities Funding Commission or Graduate and Professional
551 Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of
552 their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-
553 by-line funded organizations.
- 554 I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be
555 permitted to increase the Student Activities Funding Commission's allocation above their request to reach an
556 even dollar amount.
- 557 J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity
558 Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full
559 amount of the Student Activity Fee, due to the funding instability inherent in administering such a system.
560 Exceptions may be considered if recommended and approved by the respective assembly and approved by
561 the President of the University.
- 562 K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the
563 GPSA and a representative of the President of the University at least every four years in a non-fee-setting
564 year.

565 **APPENDIX B: STUDENT ASSEMBLY GUIDELINES FOR FUNDED** 566 **ORGANIZATIONS**

567 **Section 1: Preamble**

- E. **Enforcement, Violations & Penalties**
- i. The SA Vice-President for Finance shall be charged with investigation of all accusations regarding violations of these guidelines and will report such findings to the SA.
 - ii. If the SA determines that an organization has committed a violation, the SA may impose a fine, reduction or revocation of the organization's by-line funding allocation. In order for a fine, reduction, or revocation of funding to occur, a two-thirds majority of the SA must concur. Reasons for a fine, reduction, or revocation of funding include, but are not limited to, violation of these rules, violation of campus policies, or violation of contract. Any money garnered from a fine on an organization shall be placed in the Special Projects Fund of the Student Assembly. If a reduction or revocation of funding affecting the remainder of the funding cycle occurs, the University shall attempt to reduce the SAF to reflect the lower amount. Excepting that, the money shall revert to the Special Projects Fund.

Section 3: General Guidelines

All recipients of the SAF shall adhere to the following guidelines:

- A. **Eligibility:** SAF allocations are to be used primarily for the benefit of undergraduate students. Organizations that have the capability to be student run and led shall be primarily student run and led.

 - iii. The Appropriations Committee or the Executive Committee shall have the ability to request that organizations publish a report to the SA on the amount of money received for an event, where that money has been allocated, total attendance, and how much money was spent on the event.
- C. **Attendance Tracking:** Each By-line Funded Organization shall, whenever possible, provide accurate attendance figures. Such figures may be acquired through a number of measures including swiping Cornell ID's, using a ticketing system, keeping a sign in sheet, or having someone at the door count entrants. For events that are expected to exceed a capacity of 100 attendees, organizations are required to track attendance through a ticketing system or using Cornell ID Scanners. For organizations unable to purchase their own scanners, scanners will be available to rent through the Office of the Assemblies. For events where tracking attendance would provide an unnecessary burden to organizations, a brief written statement explaining why attendance was not taken is required.

619 and literature “Funded in part by the Student Assembly”.
- 620 E. **Funds Partitioning:** SAF money will preferably be held in a separate University account for accounting and
621 reporting purposes. Otherwise all expenditures from SAF money shall be authorized by the Organization in
622 accordance with its governing documents. These requirements apply to all organizations unless explicitly
623 exempted in this Appendix or waived by a two-thirds vote of both the Appropriations Committee and the

631 Appropriations Committee with a written account of the use of its fee allocation and operations for the
632 previous academic year, and an oral summary of its activities, including usage statistics and future
633 programming plans. The SA Vice President for Finance will conduct an unofficial vote regarding the
634 committee’s recommendation on whether or not the organization should receive an increase in funding, a
635 decrease in funding or maintenance of funding at its current level. The SA Vice President for Finance shall
