51 Assembly Charter, of the SA will be reported by the SA President to the University President. The SA will
52 respond to any requests for information from the University President on its actions. The University
53 President may also request reconsideration of legislation proposed by the SA. Such a request must be filed
54 within thirty days of notification of the legislation. The SA will take action on such a request, and, if the
55 legislation is upheld, the SA will inform the University President. If the legislation is upheld and if the
56 University President still deems the action to be defective, the University President may veto the action of the
57 SA. The University President will review all actions of the SA that have been reported to him or her and
58 provide a written response to those actions within 30 days. The University President, when appropriate, may

71 **Section 4: Objection to Actions**

- 72 A. Objection of SA Actions by Another Assembly – Should another Assembly object to an action of the SA, at
73 its next business meeting, the SA will review the objection and either modify the original position to account
74 for the objections of the other constituency(ies) or will reaffirm the original action. The SA shall report to the
75 objecting body(ies) within five working days of reviewing the objection.
- 76 B. Objection by SA of another Assemblies Actions – If the SA determines by a two-thirds vote that the action
77 of another constituency body impacts its constituency, comparable procedures for the reconciliation of the

87 it deems of general student concern. If such a request is made, and said information is not furnished, the University
88 President will report to the SA the reasons why said information cannot be furnished within two regularly scheduled
89 SA meetings following the denial of the request. The SA will not request information falling into the following
90 categories: salary or wage records of specific individuals, academic or financial records of specific individuals, medical
91 or categorical (race, sex, age, etc.) records of specific individuals and information otherwise defined as confidential or
92 restricted by law.

93 **Section 7: President's Report**

94 The President of the University or his/her appointee will make a report in writing to the SA at the end of each
95 semester. This report will be due at the beginning of the last SA meeting of each semester. This report will include: 1)
96 the status of all policies and departments affected by campus governance legislation during the semester, 2) the status

general body upon successful collection of support from at least 3-percent of the registered undergraduate student body (submitters should plan to collect at least 450 undergraduate signatures) according to the following procedure:

- i. The referendum must contain a single or a series of referendum questions that are neutrally worded and call for a yes/no response. Once the submitter has started gathering signatures, the question may not be changed or modified in any way. Submitters must collect signatures (defined as a willfully submitted record of first name, last name, and NetID) exclusively from registered undergraduate students at Cornell University. Digital and print solicitation methods are permitted, provided that the referendum question and sponsoring student or student organization are clearly visible. An electronic form (ex, Google form) may be used to gather the names and NetIDs of students, but the final submission must be on the appropriate form provided by the Office of the Assemblies.
- ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the election materials for the Fall and for the Spring. All deadlines will be advertised through the SA monthly newsletter as well as the other usual publicity instruments. Once a referendum question with the appropriate number of signatures has been submitted, the SA general body will roll call vote by simple majority whether to hold the referendum. The vote will also make the provision for two collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by collecting the signatures of at least 10-percent of the registered undergraduate student body using the same method described in section A. 2. Once a referendum is approved or has gathered the support of at least 10-percent of the registered undergraduate student body, the following timeline will be observed:
 - a. STATEMENT PERIOD. The Student Assembly Executive Vice President will put out a call for pro or con statements regarding the referendum question. Any member of the Cornell community may submit a statement. Each statement will be no longer than 300 words. The statements must pertain to the topic of the referendum question. The deadline for pro or con statements will be seven (7) days from when the call was first made public.
 - b. PROMOTIONAL PERIOD. Once the seven-day statement period has ended, the Student Assembly Vice President for Public Relations has a period of three (3) days to promote the referendum question and any submitted statements. The Office of the Assemblies will distribute via email to all registered undergraduate students the following: information on when and how to vote in the referendum, the referendum question, and any pro or con statements submitted.
 - c. VOTING PERIOD. The Office of the Assemblies will conduct the referendum on the next business day following the conclusion of the promotional period. The voting period will be exactly 36 hours. The Office of the Assemblies will display any pro or con statements submitted during the statement period on the poll.
- iii. The Office of the Assemblies will publicly release the results of the referendum within one business day following the conclusion of the Voting Period, including the percentage of the undergraduate population that voted.

Cornell University

Student Assembly

- 146 iv. If a referendum has a majority of votes in favor of the submitter, then the President of the Student
147 Assembly will communicate the referendum question, a summary of each side of the argument, and
148 the results of the referendum to the Office of the President in the form of a referendum action.
149 v. The Office of the Assemblies will record and make publicly available all communication between the
150 President of the Student Assembly and the Office of the President.

151 **Section 9: Authority to Appoint Delegates, Committee Members and Liaisons**

- 152 A. Two members will be selected from and by the membership of the SA to serve as voting members of the UA
153 and to act as a liaison between the UA and the SA. Elections for the two SA voting members to the UA shall
154 be by separate secret ballots. Elections will be conducted using a single transferable vote system. The
155 President may not be one of the SA representatives to the UA. The remaining two undergraduate student
156 members of the UA shall be elected by the undergraduate student body at the time of SA's spring elections in
157 the same manner as SA voting members. Elected representatives to the UA shall serve for one calendar year,
158 taking office June 1st. Elected representatives to the UA shall serve for one calendar year, taking office June
159 1st. Should a seat on the UA be empty, the seat shall be declared vacant. Undergraduates may not hold a
160 directly elected seat in both the UA and the SA during the same term.
- 161 B. If at any time during the course of an academic year, a UA member elected directly from the undergraduate
162 student body should leave his office, then the seat shall be filled by the next highest-ranking non-winning
163 candidate. If there should not be a next highest-ranking non-winning candidate after the special election, the
164 seat will be filled by the undesignated at-large candidate receiving the most number of votes in the preceding
165 spring election.
- 166 C. The SA will have the authority to appoint student members of the UA committees.
- 167 D. The SA will have the authority to appoint student members to be liaisons to departments and administrators
168 in the University.
- 169 i. During the process of committee appointments, the following two appointments must be made:
170 liaison to the Athletic Department and liaison to the Dean of Faculty. The liaison positions shall have
171 the responsibility of increasing the communication between the SA and the respective University
172 departments.
- 173 ii. At the time that committee appointments are made, the SA will appoint one member to serve as
174 Liaison to the Provost. The student will interact and work directly with the Provost on issues that
175 affect and concern students on a regular basis during the member's term of office.
- 176 iii. At the time that committee appointments are made, the SA will appoint at least one undergraduate
177 student to serve as liaison to the Student Health Fee Advisory Committee. The liaison will be a
178 voting member of the Committee.
- 179 iv. At the time that committee appointments are made, the SA will appoint one undergraduate student
180 to serve as Liaison to the Student Health Plan Advisory Committee. The liaison will be a voting
181 member of the Committee.

182 **ARTICLE IV: MEMBERSHIP**

183 **Section 1: Composition**

Cornell University Student Assembly

- 184 A. General Composition – The SA will consist of 28 voting members who are registered undergraduate students
185 at Cornell University. Up to two additional votes shall be allocated to the entire community of undergraduates
186 as a whole present at a Student Assembly meeting on motions that express the opinion of the assembly. Such
187 community votes shall be allowed only as provided by the Assembly in its bylaws. Eleven voting members of
188 the SA will be elected by and from the student populations of the colleges and schools, one from each: the
189 College of Architecture, Art and Planning; the School of Hotel Administration; the College of Human
190 Ecology; and the School of Industrial and Labor Relations. Two each shall be elected from the College of
191 Agriculture and Life Sciences and the College of Engineering; and three shall be elected from the College of
192 Arts and Sciences. In addition, twelve voting members will be elected at-large by and from the University
193 undergraduate student population as a whole; two at-large seats are to be reserved for candidates seeking the
194 offices of President and Executive Vice President of the Student Assembly and must be explicitly designated
195 as such; two at-large seats are to be reserved for non-constituent, undesignated at-large group candidates who
196 do not run for President or Executive Vice President; two at-large seats are to be reserved for candidates
197 seeking to represent minority students; one at-large seat is to be reserved for candidates seeking to represent
198 international students; one at-large seat is to be reserved for candidates seeking to represent women’s issues in
199 relation to the broader Cornell community; one at-large seat is to be reserved for candidates seeking to
200 represent First Generation College students; and one at-large seat is to be reserved for candidates seeking to
201 represent the Lesbian, Gay, Bisexual, Transgender, Queer community. The two remaining non-constituent,
202 undesignated at-large seats are to be contested by candidates running for President and Executive Vice
203 President and by non-constituent, undesignated at-large group candidates not running for President or
204 Executive Vice President. Five seats shall be elected by and from new students entering in the fall. Should
205 there be no candidate running for a given seat, the seat shall be considered vacant.
- 206 B. Ex-officio Membership – All undergraduate members of the Cornell student body are considered non-voting
207 members of the SA, and are encouraged to attend and participate in meetings. The SA may designate ex-
208 officio membership to any member of the Cornell Community as deemed necessary for the operation of the
209 Student Assembly
- 210 C. Specification of New Student Seats – Four new student seats shall be elected and held by new students
211 entering in the fall semester. One additional seat shall be designated the Transfer Seat and shall be elected by
212 incoming transfer students and held by a transfer student who has entered the university that fall.
- 213 D. Qualifications for Voting Membership - SA members elected from the various colleges and schools must be
214 registered students in their respective colleges and schools by the beginning of the fall term of the academic
215 year for which they were elected. SA members must resign their position if they cease to be a registered, full-
216 time undergraduate student in their respective college. SA members elected at-large must be registered
217 students at Cornell by the beginning of the fall term of the academic year for which they were elected. SA
218 members must resign their position if they plan to be away from the Ithaca campus for an extended period of
219 time (i.e. a semester). Any SA member who vacates their current seat after being elected or re-elected to a
220 position will forfeit their new seat. The forfeited position will devolve to the next runner up, and should there
221 be no runner-up the seat will be re-run in the fall elections.

222 Section 2: Election of Voting Members

223 The President, Executive Vice President, and other Undesignated at Large representatives will be elected by a single
224 transferable voting system. Voters may rank all candidates on the ballot for each of these races. All other

Cornell University Student Assembly

225 representatives shall be elected by a plurality voting system. Voters will cast one vote per available seat, (e.g. if three
226 Arts and Sciences representatives are to be elected, the voter will vote for three candidates).

227 **Section 3: Terms**

228 All elected members are elected to a term, ending on June 1st, with no limit as to the number of terms they may serve.
229 Prior to being seated at the beginning of their term, each member shall take the oath of office. and shall be bound to
230 that oath for the duration of their term.

231 **Section 4: Advisor**

232 The University President will appoint one member of the administration to serve as consultant to the SA at its
233 meetings.

234 **Section 5: Absentees**

235 Any voting members who are absent for three regularly scheduled meetings cumulatively during their term will have
236 their position vacated. At the discretion of the Executive Committee, a member will not be counted as if they were
237 absent for an interview for a job, graduate school, or scholarship; if they were attending a required academic event for
238 which accommodations could not be made; if they were representing the Student Assembly in an official capacity; if
239 they were tending to a family emergency; if they are observing a religious holiday; or if they were under the care of a
240 physician. The Executive Committee will review each circumstance individually and will determine a decision within 7
241 days of the request. Executive Committee may avert such a vacancy by a two-thirds (2/3) vote of seated voting
242 members of the Executive Committee. The vote would be conducted by secret ballot. The Executive Committee
243 should consider the reasoning for past absences, the likelihood of future absences, and the representative's
244 supplemental actions to represent their respective constituency in making their decision. The same action must be
245 taken if the Executive Committee wishes to avert a vacancy whenever the three cumulative absences mark is
246 exceeded. The Director of Elections will serve as Chair for these meetings.

247 **Section 6: Vacancies**

248 All vacancies will be filled by seating the highest ranked non-winning candidate in the last election from the same
249 constituency. If the highest ranked non-winning candidate declines, the seat will be offered to the next highest ranked
250 non-winning candidate. If this procedure has been followed and the seat still remains vacant, the SA will solicit
251 candidates from the unrepresented constituency during the first two weeks of the academic term immediately
252 following the declaration of vacancy. If there is more than one candidate, an election will be held within the
253 appropriate constituency, and the winner will be seated. If there is only one candidate, he or she will be seated
254 immediately. If there are no candidates for a particular vacant seat, such seat will be labeled Undesignated and filled by
255 the runner-up in the Undesignated At-Large election. At the time for the next election, such seat will return to its
256 previous designation. Vacant seats shall not figure into quorums or vote counts; only filled seats may. SA members
257 who are college representatives and who leave their college will vacate their seats. Should a seat remain vacant or be
258 vacated following the special election and there are no non-winning candidates from that constituency to fill the
259 position, it shall be filled by the undesignated at-large candidate receiving the most number of votes in the preceding

Cornell University Student Assembly

260 spring election. Should an undergraduate seat on the UA remain vacant after following these procedures, the SA may
261 appoint an individual to assume the UA seat.

262 **Section 7: Recalling of Voting Members**

- 263 A. If a voting SA member is to be recalled, they may be recalled either through their constituency or through the
264 SA. To be recalled through a member's respective constituency each of the following procedures must be
265 followed in the given order:
- 266 i. A petition for the recall of the specific SA voting member will be registered with the Office of the
267 Assemblies before any signatures are obtained.
 - 268 ii. Petitioning for recall shall last for a period of not more than fourteen (14) days from the registration
269 of the petition. The required number of signatures shall be: for representatives of a college
270 constituency - 50% plus one or 1000 from that constituency, whichever is smaller; for at-large
271 representatives - 15% of the student body. The petition will be presented to the Office of the
272 Assemblies.
 - 273 iii. An informational forum will be scheduled and held within not more than one (1) week of the
274 presentation of the petition, where a discussion of the recall will occur. The SA voting member must
275 have a reasonable opportunity to attend the forum.
 - 276 iv. A special recall election will be scheduled for and held within not more than three (3) days after the
277 informational hearing.
 - 278 v. Should the constituency vote to remove its representative the seat shall be declared vacant.
- 279 B. To be recalled by the SA, two-thirds of the voting membership must vote in favor of recalling the SA
280 member.

281 **Section 8: Responsibilities of Voting Members**

- 282 A. SA members who represent specific college or school constituencies are required to make a reasonable effort
283 to arrange at least two meetings a semester with their respective academic dean or associate dean(s) to discuss
284 college/school specific issues and concerns. These representatives will then report back to the Student
285 Assembly at the next regularly scheduled SA meeting briefing the Assembly on pertinent issues and
286 occurrences that would take place as a result of these meetings.
- 287 B. SA members who represent specific college or school constituencies shall be charged with gathering
288 information about their particular college and representing their respective constituencies, and voting
289 according to their needs and desires.
- 290 C. All voting representatives shall host at least one forum or outreach activity with individuals from their
291 respective constituencies and report all outcomes to the SA at the next regularly-scheduled meeting following
292 such an activity
- 293 D. All representatives may communicate regularly with their constituents through e-mail mailing lists and
294 listservs, which may be maintained by their respective college dean's office, the Department of Campus Life,
295 the Office of the Dean of Students, or the Office of the Assemblies
- 296 E. Any Student Assembly member, including the Vice President for Public Relations, must submit a mass
297 message (e-mail, advertisement, press release, etc.) to the Executive Board for approval. The Executive Board

Cornell University Student Assembly

298 may approve a message by a majority vote and the vote may be conducted by e-mail. The e-mail records must
299 be saved.

300 **ARTICLE V: AMENDMENTS**

301 **Section 1: Proposal of Amendments**

302 This charter may be amended at any regular meeting of the assembly by a two-thirds vote of the entire voting
303 membership, provided that the amendment has been submitted in writing at the previous regular meeting.
304 Amendments may be presented to the assembly by voting members or by community petition with at least 100
305 Cornell undergraduate student signatures. Any changes made to the attendance policy after the second meeting of the
306 term will not go into effect until the following term.

307 **Section 2: Presidential Approval**

308 Amendments to this Charter are subject to the approval of the President of the University. Should the University
309 President disapprove the amendments affected by this section, the University President will present a detailed verbal
310 or written report to the SA indicating the reasons for disapproval. The report will be presented within thirty (30) days
311 of receipt of the proposed amendments by the University President.

312 **Section 3: Official Copy**

313 The Office of Assemblies shall update the official copy of the charter within five business days of receiving notice of
314 any amendment's ratification.

458 submit it to the Office of the Assemblies before they are seated in the fall semester of a fee-setting year.

459 **Section 6: “Check-off” or “Pay-extra” Options**

460 Neither a check-off option nor an option to pay an amount in addition to the established SAF for specific programs
461 or services will be allowed for purposes of exempting a student from paying the full amount of the SAF. Exceptions
462 may be considered if recommended and approved by the Student Assembly and approved by the President of the
463 University.

464 **Section 7: Voting**

465 Proxy votes shall not be permitted for decisions of the Student Assembly regarding the SAF during the SAF allocation
466 process. The Student Assembly must approve the appropriations committee decisions by a majority of the voting

471 of the Cornell community for review within 24 hours of their request. All deliberations regarding allocations and

474 those materials and no vote may be taken regarding the disposition of the request itself. Confidential materials may be
475 disclosed publicly only at the discretion of authorized university personnel.

476 **Section 9: Conference with GPSA**

477 If a disparity arises in funding levels between the GPSA and SA of an organization that is funded by both, the
478 financial officers of each body will meet to discuss the discrepancy and recommend action to their respective bodies.

479 **Section 10: Default**

Cornell University Student Assembly

480 If the Assembly does not adopt a recommendation in the fall semester of a fee setting year, its recommendation shall
481 be presumed to be that all individual by-lines revert to the same level as in the current funding cycle with the
482 following exception:

- 483 1. Should an applicant's newly approved allocation be less than that of the current cycle, the applicant shall
484 receive the lower allocation.

485 **Section 11: Amendments**

486 Appendix A may be amended by a two-thirds (2/3) vote of the Student Assembly. In order to ensure consistency and
487 fairness to the applicants and student body at-large, no amendments to this appendix may be adopted during the fall
488 semester of a fee-setting year.

489 **Section 12: Review**

490 The SA and the GPSA and a representative of the President of the University shall review these guidelines and the
491 procedures established in accordance therewith at least every four years in a non-fee-setting year (e.g. 2014-2015,
492 2018-2019). This review shall be conducted with strict adherence to the guidelines set forth by the Board of Trustees
493 in Attachment A: Criteria for Setting and Allocating the Student Activity Fee (03/01/99).

494 **Section 13: Criteria for Setting and Allocating the Student Activity Fee from the** 495 **March 1, 1999 Delegation of Authority**

- 496 A. Pursuant to a letter dated March 1, 1999, the President of the University has delegated responsibility for the
497 setting and allocation of the Student Activity Fee to the Student Assembly (SA) and the Graduate &
498 Professional Student Assembly (GPSA) within the following guidelines:
- 499 B. The SA and the GPSA shall each amend their respective charters to include the criteria for the setting and
500 allocation of the Student Activity Fee, including the guidelines set forth herein and which criteria shall be
501 reviewed by and meet the approval of the President of the University.
- 502 C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set
503 every two years for a period of two years by the SA and the GPSA, respectively.
- 504 D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of
505 the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting
506 process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the
507 applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-
508 setting year. The final report must be sent to the President of the University by the last day of finals of the fall
509 semester.
- 510 E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee,
511 an organization must meet the following criteria:
 - 512 i. Register as a student or university organization with the Student Activities Office
 - 513 ii. Allow students equal access to the services being provided by the organization or participation in the
514 organization's activities

Cornell University Student Assembly

- 515 iii. Operate primarily for students by students with funds disbursed through a university operating
516 account
517 iv. Have an advisor to assist with oversight of the university operating account.
- 518 F. Funding from the monies collected through the Student Activities Fee may be provided directly to an
519 organization, which applies for and receives “by-line” funding status, outside of the established Student
520 Activities Funding Commission or Graduate and Professional Student Activities Funding Commission
521 processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding
522 must demonstrate:
- 523 i. Its activities are of direct and primary benefit to the entire Cornell community represented by the
524 respective assembly; and
525 ii. It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.
- 526 G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are
527 not registered organizations (e.g., Students Helping Students, club insurance) but whose organizational
528 structure and programs and services are consistent with the criteria outlined above for by-line funded
529 organizations. Such funding would require the approval of the respective assembly and the President of the
530 University.
- 531 H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-
532 line funded organizations and the Student Activities Funding Commission or Graduate and Professional
533 Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of
534 their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-
535 by-line funded organizations.
- 536 I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be
537 permitted to increase the Student Activities Funding Commission's allocation above their request to reach an
538 even dollar amount.
- 539 J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity
540 Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full
541 amount of the Student Activity Fee, due to the funding instability inherent in administering such a system.
542 Exceptions may be considered if recommended and approved by the respective assembly and approved by
543 the President of the University.
- 544 K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the
545 GPSA and a representative of the President of the University at least every four years in a non-fee-setting
546 year.

547 **APPENDIX B: STUDENT ASSEMBLY GUIDELINES FOR FUNDED** 548 **ORGANIZATIONS**

549 **Section 1: Preamble**

550 Each organization that receives funding from the Student Assembly (SA) through the Student Activity Fee (SAF) is
551 subject to Guidelines set by the Assembly in consultation with the Graduate & Professional Student Assembly
552 (GPSA), these organizations, and the Cornell student body.

Cornell University

Student Assembly

553 Section 2: Student Assembly's Role and Obligations

- 554 A. **SA Charge:** As the student-elected governing body at Cornell University, the SA shall seek out and voice
555 effectively the interests and concerns of the student body.
- 556 B. **Notice of Current Governing Documents:** The SA shall provide each by-line funded organization, the
557 Director(s) of Student Activities, Campus Life, the GPSA, and the Dean of Students with a current copy of
558 these Guidelines, as well as the SA Charter and the SA Appropriations Committee Charge and Guidelines
559 each year.
- 560 C. **Notice of Pending Legislation:** Each by-line funded organization, the Director(s) of Student Activities,
561 Campus Life, the GPSA, and the Dean of Students shall be notified of any SA, SA Appropriations
562 Committee, or other meeting in which legislation concerning or affecting Fee recipients is pending.
- 563 D. **Outreach:** The SA Vice-President for Finance shall, wherever possible and as often as possible, attend
564 meetings of each organization throughout the year.
- 565 E. **Enforcement, Violations & Penalties**
- 566 i. The SA Vice-President for Finance shall be charged with investigation of all accusations regarding
567 violations of these guidelines and will report such findings to the SA.
- 568 ii. If the SA determines that an organization has committed a violation, the SA may impose a fine,
569 reduction or revocation of the organization's by-line funding allocation. In order for a fine,
570 reduction, or revocation of funding to occur, a two-thirds majority of the SA must concur. Reasons
571 for a fine, reduction, or revocation of funding include, but are not limited to, violation of these rules,
572 violation of campus policies, or violation of contract. Any money garnered from a fine on an
573 organization shall be placed in the Special Projects Fund of the Student Assembly. If a reduction or
574 revocation of funding affecting the remainder of the funding cycle occurs, the University shall
575 attempt to reduce the SAF to reflect the lower amount. Excepting that, the money shall revert to the
576 Special Projects Fund.

577 Section 3: General Guidelines

578 All recipients of the SAF shall adhere to the following guidelines:

- 579 A. **Eligibility:** SAF allocations are to be used primarily for the benefit of undergraduate students. Organizations
580 that have the capability to be student run and led shall be primarily student run and led.
- 581 B. **Event Ticketing:** For all events (concerts, lectures, films, etc.) funded by the Fee allocations and for which
582 admission is charged:
- 583 i. Cornell students shall receive a reasonable discount per event to reflect their prior contribution via
584 the SAF.
- 585 ii. Cornell students shall receive the first opportunity to purchase tickets or (otherwise should have a
586 substantial amount of tickets reserved for student use).
- 587 iii. The Appropriations Committee or the Executive Committee shall have the ability to request that
588 organizations publish a report to the SA on the amount of money received for an event, where that
589 money has been allocated, and how much money was spent on the event.
- 590 C. **Attendance Tracking:** Each By-line Funded Organization shall, whenever possible, provide accurate
591 attendance figures. Such figures may be acquired through a number of measures including swiping Cornell

Cornell University Student Assembly

- 592 ID's, using a ticketing system, keeping a sign in sheet, or having someone at the door count entrants. For
593 events that are expected to exceed a capacity of 100 attendees, organizations are required to track attendance
594 through a ticketing system or using Cornell ID Scanners. For organizations unable to purchase their own
595 scanners, scanners will be available to rent through the Office of the Assemblies. For events where tracking
596 attendance would provide an unnecessary burden to organizations, a brief written statement explaining why
597 attendance was not taken is required.
- 598 D. **Public Promotion & Engagement:** Each organization shall regularly advertise its existence and encourage
599 student participation at its meetings, which shall be open to the public.
- 600 E. **Capital Expenditures:** SAF allocations are meant to serve as a "current account." No organization shall use
601 its Fee allocations for major capital equipment purchases costing more than \$500 without the express
602 approval of the SA. Organizations shall request approval in their annual fall report to the SA. A major capital
603 equipment purchase shall be defined as anything having a useful life of two years or more.
- 604 F. **Funds Partitioning:** SAF money will preferably be held in a separate University account for accounting and
605 reporting purposes. Otherwise all expenditures from SAF money shall be authorized by the Organization in
606 accordance with its governing documents.
- 607 G. **SA Liaisons:** The SA shall have the option of appointing a Student Assembly member to serve as a non-
608 voting liaison to each organization or, where appropriate, to its Executive Board. If an organization feels their
609 liaison is failing in their duty, a new liaison may be appointed.
- 610 H. **Off-Year Reporting:** During the fall of even-numbered calendar years each organization shall provide the
611 Appropriations Committee with a written account of the use of its fee allocation and operations for the
612 previous academic year, and an oral summary of its activities, including usage statistics and future
613 programming plans. The SA Vice President for Finance will conduct an unofficial vote regarding the
614 committee's recommendation on whether or not the organization should receive an increase in funding, a
615 decrease in funding or maintenance of funding at its current level. The SA Vice President for Finance shall
616 then provide a written summary report of these meetings to the SA.
- 617 I. **New Organization Reporting:** Organizations receiving By-Line funding for the first time in the current
618 funding cycle shall report each semester to the Appropriations Committee on their operations and finances.
- 619 J. **Conferences:** Organizations may send Executive Board member(s) to one annual conference, if desired. The
620 Appropriations Committee must approve organization's conference expenditures and each organization must
621 demonstrate to the committee that conference attendance will benefit the Organization's ability to achieve its
622 mission statement. Organizations shall request approval in their annual fall report to the SA. All conferences,
623 teambuilding, banquet, training, and other social expenditures for organization members, in sum, shall be no
624 greater than \$4,000 or 10% of the organization's by-line allocation, whichever is less. This rule shall not apply
625 to SAFC-funded organizations.
- 626 K. **Governing Document Approval:** All organizations must submit any changes in the Organizations' bylaws,
627 constitution, or other governing documents to the SA for its approval.
- 628 L. **Non-discrimination:** All organizations receiving Student Activity Fee funds directly or that receive such
629 funds indirectly from a by-line funded organization shall not discriminate on the basis of actual or perceived
630 age, color, disability, ethnicity, gender identity or expression, marital status, national origin, race, religion, sex,
631 sexual orientation, veteran status, or any combination of these factors when determining its membership and
632 when determining the equal rights of all general members and executive board members, respectively, which
633 shall include, but are not limited to, voting for, seeking, and holding positions within the organization.
634 Additionally, all organizations receiving funding from the Student Activity Fee and that serve as a funding

636 disability, ethnicity, gender identity or expression, marital status, national origin, race, religion, sex, sexual
637 orientation, veteran status, or any combination of these factors when awarding funding.

639 athletic skill which may result in a club sport of one or predominantly one gender. Organizations may
640 also make requirements based on vocal range or quality which may result in a chorus or choruses of
641 one or predominantly one gender. Organizations that participate in activities with governmental age
642 restrictions may also make appropriate requirements on the basis of age.
- 643 ii. Organizations may also enforce uniform standards of belief or conduct as a prerequisite for obtaining
644 some or all rights of general members and executive board members, respectively, so long as said
645 standards are protected by the 1st Amendment of the United States Constitution in the context of a
646 public university and do not impede enforcement of Appendix B, Section II, subsection E.
- 647 iii. Each organization receiving Student Activity Fee funds directly from the Student Assembly shall
648 include a "Non-discrimination Clause" section in its bylaws, constitution or other governing
649 documents reflecting this policy.
