Section 8: Public Hearings, Forums, and Referenda

- A. The SA will have the authority and responsibility to conduct public hearings, forums, and referenda concerning topics of current student interest, and to determine in other appropriate ways student needs and opinions.
- B. At two times during the course of the fall and spring semesters, a student or student group (referred to as the "submitter") may submit a referendum of any topic of current student interest to the Student Assembly general body upon successful collection of support from at least 3-percent of the registered undergraduate student body (submitters should plan to collect at least 450 undergraduate signatures) according to the following procedure:
 - i. The referendum must contain a single or a series of referendum questions that are neutrally worded and call for a yes/no response. Once the submitter has started gathering signatures, the question may not be changed or modified in any way. Submitters must collect signatures (defined as a willfully submitted record of first name, last name, and NetID) exclusively from registered undergraduate students at Cornell University. Digital and print solicitation methods are permitted, provided that the referendum question and sponsoring student or student organization are clearly visible. An electronic form (ex, Google form) may be used to gather the names and NetIDs of students, but the final submission must be on the appropriate form provided by the Office of the Assemblies.
 - ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the election materials for the Fall and for the Spring. All deadlines will be advertised through the SA monthly newsletter as well as the other usual publicity instruments. Once a referendum question with the appropriate number of signatures has been submitted, the SA general body will roll call vote by

simple majority whether to hold the referendum. The vote will also make the provision for two collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by collecting the signatures of at least 10-percent of the registered undergraduate student body using the same method described in section A. 2. Once a referendum is approved or has gathered the support of at least 10-percent of the registered undergraduate student body, the following timeline will be observed:

- a. STATEMENT PERIOD. The Student Assembly Executive Vice President will put out a call for pro or con statements regarding the referendum question. Any member of the Cornell community may submit a statement. Each statement will be no longer than 300 words. The statements must pertain to the topic of the referendum question. The deadline for pro or con statements will be seven (7) days from when the call was first made public.
- b. PROMOTIONAL PERIOD. Once the seven-day statement period has ended, the Student Assembly Vice President for Public Relations has a period of three (3) days to promote the referendum question and any submitted statements. The Office of the Assemblies will distribute via email to all registered undergraduate students the following: information on when and how to vote in the referendum, the referendum question, and any pro or con statements submitted.
- c. VOTING PERIOD. The Office of the Assemblies will conduct the referendum on the next business day following the conclusion of the promotional period. The voting period will be exactly 36 hours. The Office of the Assemblies will display any pro or con statements submitted during the statement period on the poll.
- iii. The Office of the Assemblies will publicly release the results of the referendum within one business day following the conclusion of the Voting Period, including the percentage of the undergraduate population that voted.
- iv. If a referendum has a majority of votes in favor of the submitter, then the President of the Student Assembly will communicate the referendum question, a summary of each side of the argument, and the results of the referendum to the Office of the President in the form of a referendum action.
- v. The Office of the Assemblies will record and make publicly available all communication between the President of the Student Assembly and the Office of the President.

Section 9: Authority to Appoint Delegates, Committee Members and Liaisons

Elections for the two SA voting members to the UA shall be by separate secret ballots. Elections will be conducted using a single transferable vote system. The President may not be one of the SA representatives to the UA. The remaining two undergraduate student members of the UA shall be elected by the undergraduate student body at the time of SA's spring elections in the same manner as SA voting members. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Should a seat on the UA be empty, the seat shall be declared vacant. Undergraduates may not hold a directly elected seat in both the UA and the SA during the same term.

Cornell University Student Assembly

entering in the fall semester. One additional seat shall be designated the Transfer Seat and shall be elected by incoming transfer students and held by a transfer student who has entered the university that fall.

- D. Qualifications for Voting Membership - SA members elected from the various colleges and schools must be registered students in their respective colleges and schools by the beginning of the fall term of the academic year for which they were elected. SA members must resign their position if they cease to be a registered, full-time undergraduate student in their respective college. SA members elected at-large must be registered students at Cornell by the beginning of the fall term of the academic year for which they were elected. SA members must resign their position if they plan to be away from the Ithaca campus for an extended period of time (i.e. a semester). Any SA member who vacates their current seat after being elected or re-elected to a position will forfeit their new seat. The forfeited position will devolve to the next runner up, and should there be no runner-up the seat will be re-run in the fall elections.

Section 2: Election of Voting Members

The President, Executive Vice President, Undergraduate Representative to the University Assembly, and other Undesignated at Large representatives will be elected by a single transferable voting system. Voters may rank all candidates on the ballot for each of these races and any ballot that has candidate(s) who is/are unranked the ballot shall not be invalidated and will count towards the ranked candidate. All other representatives shall be elected by a plurality voting system. Voters will cast one vote per available seat, (e.g. if three Arts and Sciences representatives are to be elected, the voter will vote for three candidates).

Section 3: Terms

All elected members are elected to a term, ending on June 1st, with no limit as to the number of terms they may serve. Prior to being seated at the beginning of their term, each member shall take the oath of office. and shall be bound to that oath for the duration of their term.

Section 4: Advisor

The University President will appoint one member of the administration to serve as consultant to the SA at its meetings.

Section 5: Absentees

Any voting members who are absent for three regularly scheduled meetings cumulatively during their term will have their position vacated. At the discretion of the Executive Committee, a member will not be counted as if they were absent for an interview for a job, graduate school, or scholarship; if they were attending a required academic event for which accommodations could not be made; if they were representing the Student Assembly in an official capacity; if they were tending to a family emergency; or if they were under the care of a physician. The Executive Committee will review each circumstance individually and will determine a decision within 7 days of the request. Executive Committee may avert such a vacancy by a two-thirds (2/3) vote of seated voting members of the Executive Committee. The vote would be conducted by secret ballot. The Executive Committee should consider the reasoning for past absences, the likelihood of future absences, and the representative's supplemental actions to represent their respective constituency in making their decision. The same action must be taken if the Executive Committee wishes to avert a vacancy whenever the three cumulative absences mark is exceeded. The Director of Elections will serve as Chair for these meetings. In the event that a Student Assembly member is observing a religious holiday on the day of a Student Assembly meeting, and that religious holiday has not already been accommodated for in the yearly Student Assembly schedule, Student Assembly members may contact the Vice President of Internal Operations for an excused

Cornell University Student Assembly

absence before the start of the weekly meeting.

Section 6: Vacancies

All vacancies will be filled by seating the highest ranked non-winning candidate in the last election from the same constituency. If the highest ranked non-winning candidate declines, the seat will be offered to the next highest ranked non-winning candidate. If this procedure has been followed and the seat still remains vacant, the SA will solicit candidates from the unrepresented constituency during the first two weeks of the academic term immediately following the declaration of vacancy. If there is more than one candidate, an election will be held within the appropriate constituency, and the winner will be seated. If there is only one candidate, he or she will be seated immediately. If there are no candidates for a particular vacant seat, such seat will be labeled Undesignated and filled by the runner-up in the Undesignated At-Large election. At the time for the next election, such seat will return to its previous designation. Vacant seats shall not figure into quorums or vote counts; only filled seats may. SA members who are college representatives and who leave their college will vacate their seats. Should a seat remain vacant or be vacated following the special election and there are no non-winning candidates from that constituency to fill the position, it shall be filled by the undesignated at-large candidate receiving the most number of votes in the preceding spring election. Should an undergraduate seat on the UA remain vacant after following these procedures, the SA may appoint an individual to assume the UA seat.

Section 7: Recalling of Voting Members

- A. If a voting SA member is to be recalled, they may be recalled either through their constituency or through the SA. To be recalled through a member's respective constituency each of the following procedures must be followed in the given order:
 - i. A petition for the recall of the specific SA voting member will be registered with the Office of the Assemblies before any signatures are obtained.
 - ii. Petitioning for recall shall last for a period of not more than fourteen (14) days from the registration of the petition. The required number of signatures shall be: for representatives of a college constituency - 50% plus one or 1000 from that constituency, whichever is smaller; for at-large representatives - 15% of the student body. The petition will be presented to the Office of the Assemblies.

529 financial officers of each body will meet to discuss the discrepancy and recommend action to their respective bodies.

530 **Section 10: Default**

531 If the Assembly does not adopt a recommendation in the fall semester of a fee setting year, its recommendation shall
532 be presumed to be that all individual by-lines revert to the same level as in the current funding cycle with the
533 following exception:

- 534 1. Should an applicant's newly approved allocation be less than that of the current cycle, the applicant shall
535 receive the lower allocation.

536 **Section 11: Amendments**

537 Appendix A may be amended by a two-thirds (2/3) vote of the Student Assembly. In order to ensure consistency and
538 fairness to the applicants and student body at-large, no amendments to this appendix may be adopted during the fall

540 **Section 12: Review**

541 The SA and the GPSA and a representative of the President of the University shall review these guidelines and the
542 procedures established in accordance therewith at least every four years in a non-fee-setting year (e.g. 2014-2015,
543 2018-2019). This review shall be conducted with strict adherence to the guidelines set forth by the Board of Trustees
544 in Attachment A: Criteria for Setting and Allocating the Student Activity Fee (03/01/99).

545 **Section 13: Criteria for Setting and Allocating the Student Activity Fee from the**
546 **March 1, 1999 Delegation of Authority**

- 547 A. Pursuant to a letter dated March 1, 1999, the President of the University has delegated responsibility for the
548 setting and allocation of the Student Activity Fee to the Student Assembly (SA) and the Graduate &
549 Professional Student Assembly (GPSA) within the following guidelines:
550 B. The SA and the GPSA shall each amend their respective charters to include the criteria for the setting and
551 allocation of the Student Activity Fee, including the guidelines set forth herein and which criteria shall be
552 reviewed by and meet the approval of the President of the University.

Cornell University Student Assembly

- C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set every two years for a period of two years by the SA and the GPSA, respectively.
- D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-setting year. The final report must be sent to the President of the University by the last day of finals of the fall semester.
- E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee, an organization must meet the following criteria:
- Register as a student or university organization with the Student Activities Office
 - Allow students equal access to the services being provided by the organization or participation in the organization's activities
 - Operate primarily for students by students with funds disbursed through a university operating account
 - Have an advisor to assist with oversight of the university operating account.
- F. Funding from the monies collected through the Student Activities Fee may be provided directly to an organization, which applies for and receives "by-line" funding status, outside of the established Student Activities Funding Commission or Graduate and Professional Student Activities Funding Commission processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding must demonstrate:
- Its activities are of direct and primary benefit to the entire Cornell community represented by the respective assembly; and
 - It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.
- G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are not registered organizations (e.g., Students Helping Students, club insurance) but whose organizational structure and programs and services are consistent with the criteria outlined above for by-line funded organizations. Such funding would require the approval of the respective assembly and the President of the University.
- H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-line funded organizations and the Student Activities Funding Commission or Graduate and Professional Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-by-line funded organizations.
- I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be permitted to increase the Student Activities Funding Commission's allocation above their request to reach an even dollar amount.
- J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full amount of the Student Activity Fee, due to the funding instability inherent in administering such a system. Exceptions may be considered if recommended and approved by the respective assembly and approved by the President of the University.
- K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the GPSA and a representative of the President of the University at least every four years in a non-fee-setting year.

APPENDIX B: STUDENT ASSEMBLY GUIDELINES FOR FUNDED ORGANIZATIONS

Section 1: Preamble

Each organization that receives funding from the Student Assembly (SA) through the Student Activity Fee (SAF) is subject to Guidelines set by the Assembly in consultation with the Graduate & Professional Student Assembly (GPSA), these organizations, and the Cornell student body.

Section 2: Student Assembly's Role and Obligations

- A. **SA Charge:** As the student-elected governing body at Cornell University, the SA shall seek out and voice effectively the interests and concerns of the student body.
- B. **Notice of Current Governing Documents:** The SA shall provide each by-line funded organization, the Director(s) of Campus Activities, Campus Life, the GPSA, and the Dean of Students with a current copy of these Guidelines, as well as the SA Charter and the SA Appropriations Committee Charge and Guidelines each year.
- C. **Notice of Pending Legislation:** Each by-line funded organization, the Director(s) of Campus Activities, Campus Life, the GPSA, and the Dean of Students shall be notified of any SA, SA Appropriations Committee, or other meeting in which legislation concerning or affecting Fee recipients is pending.
- D. **Outreach:** The SA Vice-President for Finance shall, wherever possible and as often as possible, attend meetings of each organization throughout the year.
- E. **Enforcement, Violations & Penalties**
 - i. The SA Vice-President for Finance shall be charged with investigation of all accusations regarding violations of these guidelines and will report such findings to the SA.
 - ii. If the SA determines that an organization has committed a violation, the SA may impose a fine, reduction or revocation of the organization's by-line funding allocation. In order for a fine, reduction, or revocation of funding to occur, a two-thirds majority of the SA must concur. Reasons for a fine, reduction, or revocation of funding include, but are not limited to, violation of these rules, violation of campus policies, or violation of contract. Any money garnered from a fine on an organization shall be placed in the Special Projects Fund of the Student Assembly. If a reduction or revocation of funding affecting the remainder of the funding cycle occurs, the University shall attempt to reduce the SAF to reflect the lower amount. Excepting that, the money shall revert to the Special Projects Fund.

Section 3: General Guidelines

All recipients of the SAF shall adhere to the following guidelines:

- A. **Eligibility:** SAF allocations are to be used primarily for the benefit of undergraduate students. Organizations that have the capability to be student run and led shall be primarily student run and led.
- B. **Event Ticketing:** For all events (concerts, lectures, films, etc.) funded by the Fee allocations and for which admission is charged:
 - i. Cornell students shall receive a reasonable discount per event to reflect their prior contribution via the SAF.
 - ii. Cornell students shall receive the first opportunity to purchase tickets or (otherwise should have a substantial amount of tickets reserved for student use).
 - iii. The Appropriations Committee or the Executive Committee shall have the ability to request that organizations publish a report to the SA on the amount of money received for an event, where that money has been allocated, total attendance, and how much money was spent on the event.
- C. **Attendance Tracking:** Each By-line Funded Organization shall, whenever possible, provide accurate attendance figures. Organizations shall conduct a review during each Byline Funding Cycle of the demographics

Cornell University Student Assembly

of students who use and are impacted by their services and shall report to the SA Appropriations Committee the attendance figures, expenditures, and incomes generated from each event held during the two previous academic years. Organizations shall record the number of undergraduates who attend each program and event, utilizing the built-in system in Campus Groups that allow individuals to sign up for events. Such figures may also be acquired through a number of measures including swiping Cornell ID's, using a ticketing system, keeping a sign in sheet, or having someone at the door count entrants. For events that are expected to exceed a capacity of 100 attendees, organizations are required to track attendance through a ticketing system or using Cornell ID Scanners. For organizations unable to purchase their own scanners, scanners will be available to rent through the Office of the Assemblies. For events where tracking attendance would provide an unnecessary burden to organizations, a brief written statement explaining why attendance was not taken is required.

- D. **Funds Reporting:** Organizations shall operate using their accumulated surplus and the Student Activity Fee disbursement. During each Byline Funding Cycle, organizations are expected to report on the supplemental cost per-student provided for by the SAF. Organizations shall track both undergraduate and graduate contributions to events and programming. Organizations shall notify the SA Vice President for Finance if they are expected to require more than their SAF allocation in a given year
- E. **Public Promotion & Engagement:** Each organization shall regularly advertise its existence and encourage student participation at its meetings, which shall be open to the public. Each byline-funded organization and its sub-organizations will be required to include the SA logo or the following statement on all fliers, posters, promotions, programs, and literature "Funded in part by the Student Assembly".
- F. **Funds Partitioning:** SAF money will preferably be held in a separate University account for accounting and reporting purposes. Otherwise all expenditures from SAF money shall be authorized by the Organization in accordance with its governing documents. These requirements apply to all organizations unless explicitly exempted in this Appendix or waived by a two-thirds vote of both the Appropriations Committee and the Student Assembly. The waiver shall apply for one by-line funding cycle.
- G. **Prohibition on Compensation:** No Advisor, President, Treasurer, staff member, other officer, or member of an organization may be compensated from an organization's SAF account or SAF earned income account.
- H. **SA Liaisons:** The SA shall have the option of appointing a Student Assembly member to serve as a non-voting liaison to each organization or, where appropriate, to its Executive Board. If an organization feels their liaison is failing in their duty, a new liaison may be appointed.
- I. **Off-Year Reporting:** During the fall of even-numbered calendar years each organization shall provide the Appropriations Committee with a written account of the use of its fee allocation and operations for the previous academic year, and an optional oral summary of its activities (unless mandated otherwise by the Appropriations Committee), including usage statistics and future programming plans. The SA Vice President for Finance will conduct an unofficial vote regarding the committee's recommendation on whether or not the organization should receive an increase in funding, a decrease in funding or maintenance of funding at its current level. The SA Vice President for Finance shall then provide a written summary report of these meetings to the SA.
- J. **New Organization Reporting:** Organizations receiving By-Line funding for the first time in the current funding cycle shall report each semester to the Appropriations Committee on their operations and finances.
- K. **Sub-Organizations:** All organizations that fall under a byline-funded umbrella organization must be registered. Byline-funded organizations shall provide a description of how funds are allocated to each organization under their umbrella. If applicable, each sub-organization shall receive funding from its umbrella organization for at least one event open to the public, every academic year. Sub-organizations shall only apply for funding from their umbrella organization and will not be allowed to receive funding from any other byline-funded organization, including SAFC. Umbrella organizations will similarly be ineligible to receive funding from other byline-funded organizations. Byline-funded organizations shall provide a semesterly budget report for all the events held by sub-organizations during the two previous academic years.
- L. **Conferences:** Organizations may send Executive Board member(s) to one annual conference, if desired. The Appropriations Committee must approve organizations' conference expenditures and each organization must demonstrate to the committee that conference attendance will benefit the Organization's ability to achieve its

Cornell University Student Assembly

mission statement. Organizations shall request approval in their annual fall report to the SA.

- M. **Spending Limitations:** All conferences, teambuilding, banquet, training, and other social expenditures for organization members, in sum, shall be no greater than \$4,000 or 10% of the organization's by-line allocation, whichever is less. This rule shall not apply to SAFC-funded organizations. Funds from an organization's byline allocation cannot be used to purchase food for executive board meetings.
- N. **Governing Document Approval:** All organizations must submit any changes in the Organizations' bylaws, constitution, or other governing documents to the SA for its approval.
- O. **Non-discrimination:** All organizations receiving Student Activity Fee funds directly or that receive such funds indirectly from a by-line funded organization shall not discriminate on the basis of actual or perceived age, race, religion, creed color, national origin, ethnicity, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, domestic violence victim status, or any combination of these factors when determining its membership and when determining the equal rights of all general members and executive board members, respectively, which shall include, but are not limited to, voting for, seeking, and holding positions within the organization. Additionally, all organizations receiving funding from the Student Activity Fee and that serve as a funding source for other organizations on campus shall not discriminate on the basis of actual or perceived age, race, religion, creed, color, national origin, ethnicity, sexual orientation, gender identity or expression, military violence victim status, or any combination of these factors when awarding funding.
 - i. Notwithstanding these requirements, a club sport may make requirements based on competitive athletic skill which may result in a club sport of one or predominantly one gender. Organizations may also make requirements based on vocal range or quality which may result in a chorus or choruses of one or predominantly one gender. Organizations that participate in activities with governmental age restrictions may also make appropriate requirements on the basis of age.
 - ii. Organizations may also enforce uniform standards of conduct as a prerequisite for obtaining some or all rights of general members and executive board members, respectively, so long as said standards are protected by the 1st Amendment of the United States Constitution in the context of a public university and do not impede enforcement of Appendix B, Section II, subsection E.
 - iii. Each organization receiving Student Activity Fee funds directly from the Student Assembly shall include a "Non-discrimination Clause" section in its bylaws, constitution or other governing documents reflecting this policy.
