Resolution 42: Proposed Charter Amendment To The Process of Conducting Referenda

Abstract: This resolution amends the charter to accurately reflect the Student Assembly roles and enable the student body to conduct referenda.

Sponsored by: Joseph Mullen '24, Adele Williams '24

Reviewed by: Elections Committee

Type of Action: Internal Policy

Originally Presented: MM/DD/YYYY

Current Status:

Whereas, Article III, Section 2 “Actions of the Assembly” enables the Student Assembly to call for referenda,

Whereas, lines 47-48 read: “Call for a Referendum is an action of the student body to determine community opinion regarding matters of student concern.”

Whereas, the referendum process is elaborated in Section 8, lines 100-150,

Whereas, the office of “Vice President of Public Relations” no longer exists,

Whereas, the features of the referendum conducted by print must be adapted for the COVID-19 digital situation,

Whereas, Cornell’s undergraduate population has grown to 15,503, and continues to grow,

Whereas, the process of conducting referenda needs to be updated for the current situation in order to properly facilitate the process in the future,

Whereas, referenda are an integral way to facilitate student input into the SA,

Whereas, the process should also be more closely coordinated with the Elections Committee,

Be it therefore resolved, that the charter should be amended as such from lines 100-150:

A. The SA will have the authority and responsibility to conduct public hearings, forums, and referenda concerning topics of current student interest, and to determine in other appropriate ways student needs and opinions.

B. ~~At two times during the course of the fall and spring semesters~~ **Before the designated election periods during the Fall and Spring,** a student or student group (referred to as the “submitter”) may submit a referendum of any topic of current student interest to the Student Assembly general body upon successful collection of support from at least 3-percent of the registered undergraduate student body (submitters should plan

Cornell University Student Assembly

to collect at least ~~450 undergraduate signatures~~ **3% of the undergraduate student body signatures and 50 additional signatures**) according to the following procedure:

i. The referendum must contain a single or a series of referendum questions that are neutrally worded and call for a yes/no response. Once the submitter has started gathering signatures, the question may not be changed or modified in any way. Submitters must collect signatures (defined as a willfully submitted record of first name, last name, and NetID) exclusively from registered undergraduate students at Cornell University. ~~Digital and print solicitation methods are permitted, provided that the referendum question and sponsoring student or student organization are clearly visible. An electronic form (ex, Google form) may be used to gather the names and NetIDs of students, but the final submission must be on the appropriate form provided by the Office of the Assemblies.~~ **Whether the process of collection is digital or in print or a hybrid of both will depend on the method of elections stipulated by the Student Assembly Elections Committee that year.**

ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the election materials for the Fall and for the Spring. All deadlines will be advertised ~~through~~ **by** the SA ~~monthly newsletter as well as the other~~ **using the** usual publicity instruments. Once a referendum question with the appropriate number of signatures has been submitted, the SA general body will roll call vote ~~by simple majority~~ whether to hold the referendum. ~~The vote will also make the provision for two collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by If the SA votes by 2/3rds or more to hold the referendum, then the referendum is automatically added to the ballot. If the SA votes by less than 1/3 to hold the referendum, it is cancelled. If the vote is somewhere between these numbers, the decision can be overturned by the submitter collecting the signatures of at least 10-percent~~ **8-percent** of the registered undergraduate student body using the same method described in section A (this includes the 3% already collected, so an additional 5% must be collected. If this number has been exceeded during the collection period, then the referendum is automatically added to the ballot). 2. Once a referendum is approved or has gathered the support of at least ~~10-percent~~ **8-percent** of the registered undergraduate student body, the following timeline will be observed:

a. STATEMENT PERIOD. The Student Assembly Executive Vice President will put out a call for pro or con statements regarding the referendum question. Any member of the Cornell community may submit

Cornell University Student Assembly

a statement. Each statement will be no longer than 300 words. The statements must pertain to the topic of the referendum question. The deadline for pro or con statements will be seven (7) days from when the call was first made public.

b. PROMOTIONAL PERIOD. Once the seven-day statement period has ended, the Student Assembly ~~Vice President for Public Relations~~ has a period of three (3) days to promote the referendum question and any submitted statements. The Office of the Assemblies will distribute via email to all registered undergraduate students ~~the following: information on when and how to vote in the referendum, the referendum question, and any pro or con statements submitted.~~ **the referendum along with all voting information for the semester's elections.**

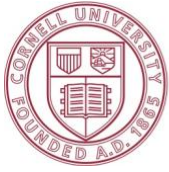

c. VOTING PERIOD. The Office of the Assemblies will conduct the referendum ~~on the next business day following the conclusion of the promotional period.~~ **during the elections period that semester.** The voting period will be exactly 36 hours. The Office of the Assemblies will display any pro or con statements submitted during the statement period on ~~the poll.~~ **a digital election location.**

iii. The Office of the Assemblies will publicly release the results of the referendum ~~within one business day following the conclusion of the Voting Period,~~ **when election results are released that semester,** including the percentage of the undergraduate population that voted.

iv. If a referendum has a majority of votes in favor of the submitter, then the President of the Student Assembly will communicate the referendum question, a summary of each side of the argument, and the results of the referendum to the Office of the President in the form of a referendum action.

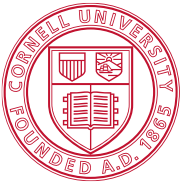

v. The Office of the Assemblies will record and make publicly available all communication between the President of the Student Assembly and the Office of the President.

Be it finally resolved, that these changes be implemented for the Spring 2022 election cycle, or the Fall 2022 election cycle at latest, and be tested for 2 semesters to demonstrate whether it is effective, after which the SA should discuss whether to modify the system again.

The candidates in each race, one for Presidential candidates and a separate one for Executive Vice Presidential candidates, will run for one available seat per race. In the event that there are no other candidates for a particular race, regardless of reason as to why, the seat shall go to the next highest voted candidate in the original Undesignated At Large race. No voting shall occur for these two races and the votes shall be tallied from the original counts for President and Executive Vice President.

Article III: Election Procedures

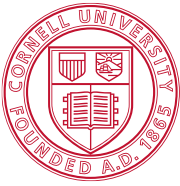

A. The Election Calendar

1. The Director of Elections, in consultation with the Office of the Assemblies, will draft the election calendar prior to the semester of the election, and will be approved by the Elections Committee at a meeting in the prior semester if possible¹.
2. Consideration shall be given to any religious holidays that may fall during the election period, guaranteeing that the right to free religious observance is afforded to all potential candidates.

B. The Elections Committee

1. The Director of Elections shall serve as chair and a designated representative of the Office of the Assemblies shall serve as a non-voting ex-officio member of this Committee.
2. The Director of Elections shall publish a list of Assembly seats to be filled, in accordance with Student Assembly Charter.

¹ The Director of Elections should coordinate the schedule of the Student Assembly elections with other campus elections, such as those of the Student-Elected Trustee and Class Councils.

3. During a Challenge Review Meeting, the interpretation of the Elections Rules will lie with the sitting Elections Committee.
4. Elections Committee members are expected to abide by the highest standards of personal conduct and integrity. Students are mandated to excuse themselves from serving on the Elections Committee if they plan to take part in a campaign. Therefore, members should not be involved in the campaigning process. All conflicts should be considered and resolved before the election cycle begins. Elections Committee members may not sit on the Executive Board of an organization that endorses candidates in an SA election. If an Elections Committee member sits on the Executive Board of an organization or sat on that Executive Board at any time during the same semester of a particular SA election, that organization may not endorse candidates in that SA election, or that Elections Committee member must resign from the Elections Committee.
5. The Elections Committee should be prepared to meet immediately following the challenge deadline to rule on all pertinent challenges. The Elections Committee shall use Robert's Rules of Order to consider challenges, in addition to the election rules. In the event of conflict, these election rules supersede Robert's Rules of Order. The Elections Committee has no power to overrule the election rules under any circumstances.
6. The Director of Elections shall give a final report on the results of the election when there are no remaining unresolved matters.

C. Independence of the Elections Committee

1. While members of the Elections Committee are expected to abide by the highest standards of integrity, they also enjoy independence from undue interference. Hence, students may not falsely accuse, harass, threaten or coerce any member of the Elections Committee for actions taken in their official capacity.
2. Subject to the determination of the Elections Committee, any violation of this section can result in temporary or permanent disqualification from contesting elections to the SA or UA.
3. Members of the Elections Committee cannot personally endorse any candidates. However, members of the Committee may still privately vote in the elections themselves.

D. Voting and Tabulation

1. The order in which names appear on the ballot shall be randomly selected.
2. Uncontested candidates will not be listed for a vote on the ballot and will be deemed victorious pending the resolution of challenges.
3. Results for challenged races will be posted after the Elections Committee has ruled on those challenges and all challenges have been fully resolved.

Cornell University Student Assembly

4. The Elections Committee will not have access to the results prior to and during challenge deliberations. The Office of Assemblies will release election results after the Director of Elections or the Elections Committee has validated the election results.
5. A printout of election results for qualifying candidates shall be posted on line on the relevant webpages of the election. Disqualified candidates will not have their vote tallies made available.

E. Challenges

1. Eligibility to Challenge

1. Any member of the Cornell community may submit a challenge.
2. The Director of Elections may submit a challenge.
3. The Elections Committee as a body may submit a challenge by majority vote.
4. Individual Committee members, except the Director of Elections, may not submit a challenge.

2. Challenge Deadlines

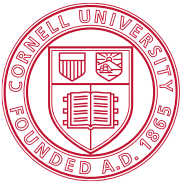

1. Election challenges must be submitted by the election challenge deadline specified in the elections calendar.
2. The Director of Elections or the Elections Committee by a majority vote can submit a challenge at any time before the declaration of results.
3. No challenges will be accepted after these deadlines.
4. Once submitted, a challenge becomes part of the formal record, and may not be withdrawn for any reason or by any person.

3. Format of Challenges

Challenges must be in writing, submitted on the signed Challenge Form, and accompanied by the following supporting documentation:

1. Challenger's name
2. Candidate's name
3. Date of challenge
4. Reason for challenge and supporting evidence

Challenges that fail to provide all required documentation will not be reviewed by the Elections Committee.

Cornell University Student Assembly

4. Notification of Election Challenges

The Office of the Assemblies will notify the Director of Elections who will send an email notifying anyone who is named in an election challenge. The email will contain a scanned copy of the challenge.

5. Response to Election Challenges

A challenged candidate may request to review challenges to which they are a party in the Office of the Assemblies, 109 Day Hall, who will share the challenges in a confidential setting. The challenged candidate may then address written statements in response to the Committee. The challenged candidate may request a hearing ~~in person~~ with the Committee.

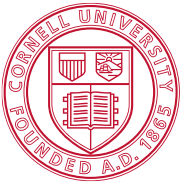

6. Challenge Review Meeting

The Committee will schedule a meeting to review challenges in Executive Session. The Committee, less temporarily recused members, will provide an opportunity for the challenged candidate to respond in person if requested by the challenged candidate or a member of the Committee. The Director of Elections reserves the right to recuse any member of the Committee in the event of a conflict of interest. Members may either recuse themselves prior to challenge hearings or at the discretion of the Director of Elections. For each challenge, the Committee will determine:

1. Whether each alleged violation can be substantiated, beyond a reasonable doubt. This vote will be taken for each violation individually, and a majority of the members present of the Elections Committee is required to declare that a preponderance of evidence substantiates each violation;
2. Which, if any, substantiated violations or combination thereof compromised the fairness of the election and constituted a material advantage to the extent the challenged candidate should be disqualified. If the Committee finds either that a single substantiated violation or that a combination of substantiated violations should, beyond a reasonable doubt, require the disqualification of a candidate, with at least two-thirds of the members present of the Elections Committee in the affirmative, may disqualify the candidate. The Elections Committee reserves the right to impose lesser sanctions on a candidate as it sees fit.

7. Written Report

1. For each rule violation, the Director of Elections or a member of the Elections Committee as delegated by the Director will create a written report thoroughly detailing the

Cornell University Student Assembly

challenge(s), listing the tallies of all votes taken by the Committee including the bifurcated voting process, the decision made, and how the decision was reached.

2. The report is kept confidential and only released to the challenged candidate and the challenger(s).
3. A copy, with all names other than the challenged candidate redacted, is kept in the Office of the Assemblies, 109 Day Hall.
4. For each challenge, the Committee will report to the challenger(s) and the challenged candidate all evidence received/found, any violations substantiated, and any decisions to disqualify the challenged candidate.

8. Reconsideration

1. If the Committee determines a candidate should be disqualified, the candidate may request reconsideration within twenty-four hours of receiving the written report. To be reconsidered, the candidate seeking such reconsideration must submit a request in writing to the Office of the Assemblies, via email to assembly@cornell.edu, and the Director of Elections within twenty-four hours of receiving the disqualification email from the Director of Elections. The statement should address the specific findings in the written report to be reconsidered and should detail the specific points where the Elections Committee failed to correctly enforce the challenge procedure outlined in the Elections Rules. Failure to submit all necessary documentation within twenty-four hours will restrict the seeking for reconsideration and the Elections Committee's decision will be final.
2. The Committee will convene in response to such a request. The Committee, after evaluating each request for reconsideration, will take a vote requiring a simple majority to determine if the previous decision to disqualify should be overturned. Email voting may be used by Committee members.

9. Confidentiality

1. Members of the Elections Committee and parties to a challenge may not share the contents of challenges, evidence, or decisions submitted to or received from the Committee, except when explicitly permitted by these rules or by the Director of Elections. When publicly releasing confidential information, the Director of Elections must redact the names of all individuals who are not the challenged candidate.
2. A review of the Challenges may take place in coordination with the Office of the Assemblies, 109 Day Hall, by any member of the Cornell community. Challenges may
