- a. S.A Resolution #61: Demanding Cornell Fight for Fair Terms for the Remote Services its Community is Required to Use
  - i. L. Smith presented the resolution.
  - ii. K. Wondimu said that the resolution sounds very good, and asked what L. Smith exactly meant by the use of the phrase “fair terms”.
  - iii. L. Smith said that it is vague but that he thinks that this is intentional, and that it is more so because Cornell was urged in the past by the GPSA to have these conversations, and that the administration said that they might not be willing to. He added that they would like to at least get a conversation going on, and that if something big were to come up and all of the student body were affected, that would obviously put them in a tough spot without class-action lawsuits. He also said that academic terms of use would be good to see from a company such as Zoom, and asked if this answers K. Wondimu’s question.
  - iv. K. Wondimu replied in the affirmative.
  - v. M. Baker moved to vote on the resolution – **approved** 18-0-1.

**V. Adjournment**

- a. J. Anderson adjourned the meeting at 4:56 pm.

Respectfully Submitted,

*John Hannan*

Clerk of the Assembly
