S.A. Resolution #13 Creating an ad-hoc Committee for PFC Transformation

This resolution creates an ad-hoc committee of the Student Assembly to work with the Professional Fraternity Council (PFC) on PFC transformation.

Sponsored by: Joe Anderson '20

Whereas, the Professional Fraternity Council (PFC) has been accepted as a byline funded organization for 2020-2022 funding cycle;

Whereas, organizations on byline funding are subject to organization specific regulations via Appendix B of the Student Assembly Charter;

Whereas, significant discussion was had on what the content of PFC's Appendix B would consist of;

Whereas, in order to be able to ensure a successful Appendix B process an ad-hoc committee between PFC members, SA members who are members of appropriations committee and those who are not would yield the most successful results;

Be it therefore resolved, the Student Assembly will create an ad-hoc committee that is comprised of 2 co-chairs, one from the SA and one from PFC, 4 PFC members¹, 2 SA members who are appropriations committee members and 2 SA members who are not appropriations committee members;

Be it therefore resolved, the charge of the ad-hoc committee will be to write an implementable Appendix B for PFC;

Be it further resolved, that this ad-hoc committee will function for the remainder of this academic year, overseeing the Appendix B process for the PFC;

Be it further resolved, this committee will be known as the PFC Transformation Committee;

Be it finally resolved, the final deliverables will be presented at the Appendix B confirmation for PFC;

Be it finally resolved, that the chair will update the SA biweekly.

Respectfully Submitted,
