ix. G. Giambattista recommended that they could make a note that she cannot be accepted until such time they have confirmed so it is easier to transition into the OJA.

Meejin Yoon and composer Roberto Sierra have been elected to the American Academy of Letters for Arts and Letters. They also recapped university updates: Donna Thomas Varner will be the new Vice President and General Counsel, Andrew Karolyi will be the acting dean of the SC Johnson College of Business, and they are looking forward to having other new deans in place by late summer or early fall. They also stated that most classes will be in person in the fall and will go into the process of re-densification. This is dependent, however, on having a campus that is overwhelmingly vaccinated, with students required to be vaccinated for the exception of medical and religious exemptions. They will be able to hold in-person ceremonies limited to students due to state
guidelines. They also ask the body what changes that may have reactive to the pandemic should continue into the future.

Whereas, for 40 years, the Cornell Bursar’s Office has provided services to collect specified charges from students who live in Residential Colleges, Program Houses, West Campus Houses, fraternities, sororities and other small living units; and

Whereas, these charges include “Program Fees” for students in Residential Colleges and Program Houses. Charges for fraternities and sororities are categorized as “room,” “board,” “social,” “dues,” and “damage deposits.” The Bursar has also processed charges for certain other professional organizations; and

Whereas, other universities provide similar services through their Bursar Offices in order to enhance campus life and a variety of living arrangements; and

Whereas, under the current plan for fraternities and sororities, Cornell has entered into contracts with Sciarabba-Walker (S-W) and Student Management Corporation (SMC) to implement Bursar charges by preparing weekly spreadsheets with a roster of students and the amounts to be charged or credited under each category. SMC and S-W are responsible for the accuracy of all billings and compete with each other to provide the service to each chapter; and

Whereas, the Bursar pays 80% of the amount billed in the following month and 20% in the
second following month regardless of the payment patterns of the individual students. These charges are placed in a checking account that is monitored by S-W or SMC to assure proper spending and prevent funds being used for drugs or alcohol. To the extent that a house is Cornell-owned, 100% of the room charges are paid to a Cornell account controlled by the Office of Sorority and Fraternity Life as soon as they are billed; and

Whereas, the Bursar receives 0.75% of all billed charges as a fee to offset its costs and has automated the processing of the data received from S-W and SMC with whom it has established a long-standing trusted relationship; and

Whereas, the Bursar has a very low loss rate from students who do not pay their charges while nationwide, living units at other campuses experience a 5% - 10% loss rate, which must be recovered by increasing the fees paid by other students; and

Whereas, Cornell is proposing to terminate this arrangement at the end of this semester; and

Whereas, under Cornell’s proposal, Bursar billing would stop for dining, program fees, and damage deposits for Cornell-owned small living units, even though those charges continue for Cornell-owned large dormitories. Yet, those charges could continue to be collected if Cornell would provide broader coverage in the standard contracts that students sign when they rent a room; and

Whereas, a group of concerned students and alumni have developed a plan as an alternative to abandoning the Bursar’s role in collecting such charges:

Be it therefore resolved, the University Assembly endorses this attached plan.

Resolved, the University Assembly urges the Cornell Bursar to give favorable consideration to the attached plan; and

Resolved, the University Assembly urges the Cornell Bursar to take advantage of its long-term relationship of trust with S-W and SMC in developing an efficient and low-cost solution to collecting funds for the organizations listed above; and

Resolved, the University Assembly asks that for university-owned living units, when Cornell writes contracts, it should provide the living units with flexibility to cover meal plans, program fees and damage deposits, just as it does for traditional dormitories; and

Resolved, the University Assembly acknowledges the hard work of student organization officers, particularly their Treasurers, and thanks them for their service in making Cornell a vibrant living/learning community; and
Resolved, the University Assembly extends its appreciation to the Bursar’s Office continuing to support this work to the maximum possible extent; and

Resolved, the University Assembly asks the Administration to consider the above plan and respond in a favorable way for the student groups affected; and

Be it finally resolved, the Administration reconsider the aforementioned Bursar change and provide appropriate living units with flexibility to cover meal plans, program fees and damage deposits.

No signature block is present until the resolution has been disposed of by the Assembly (Passed, Failed, Withdrawn, etc.) Then a block with the certifying member (customarily Chair/Vice-Chair) verifying the authenticity and vote tally of the resolution.
PROPOSAL TO CONTINUE GREEK HOUSE BILLING THROUGH CORNELL - CORNELLCARD

At present, we have a forty-year history of S-W and SMC entering into contracts with Cornell that allow them to open checking accounts for individual houses and then Bursar bill housing, dining, and other costs through the Bursar billing system. The Bursar charges 0.75% on all funds, and S-W and SMC account for all funds to ensure they are spent on the chapter and do not involve alcohol purchases.

The proposal is to transition the present system to CornellCard.

- Each student would sign a CornellCard agreement and Bursar agreement.
- Students would pay the current $13 CornellCard fee.
- S-W and SMC would continue their present practice of collecting and submitting electronically the charges on behalf of each house.
- These charges would be debits on the CornellCard account rather than the main Bursar bill.
- If a student fails to pay the CornellCard charges, it would result in a “hold” on a diploma or course registration.
- Revenues would continue to be available 80% in the middle of the following month and 20% the month after that.
- Houses would have the option of using S-W, SMC or not participating in the program
- Any customer service inquiry or complaint would be handled by S-W or SMC and not by the OSFL staff.
- The greek charges would not count against the $1,500 CornellCard limit on each student.

In the case of Cornell-owned houses, the SFR lease would be expanded to cover dining and other ancillary charges including parlor fees.

- Cornell-owned room rent and parlor fees would appear on the main Bursar bill and would be immediately credited to each chapter’s house operating account (controlled by Kara and Terri).
- Cornell-owned dining fees would appear on the main Bursar bill and would be deposited in the chapter checking account on the 80% - 20% schedule that applies to dining fees now.
- All other charges from Cornell-owned chapters would appear on the CornellCard account of the student.

Chapters would continue to pay S-W or SMC professional fees for accounting and customer service.

This proposal would be re-evaluated in two years to determine its effectiveness.
U.A. Resolution #24

Making the UA Charter Gender-neutral
[05/04/2021]

Sponsored by: Logan Kenney, GPSA

Whereas, the Charter of the University Assembly uses the terms “he” and “she;” and

Whereas, section 5.3(c), states: If, after the floor is closed for nominations for specific officer position, only one candidate is nominated to be an officer, he or she will be seated immediately, unless a member of the Assembly opposes the nomination; and

Whereas, many individuals in the Cornell community do not identify with these terms; and

Whereas, this item affects members of the Cornell community and falls within the purview of the University Assembly.

Be it therefore resolved, section 5.3(c) of the University Charter will now read: If, after the floor is closed for nominations for specific officer position, only one candidate is nominated to be an officer, they will be seated immediately, unless a member of the Assembly opposes the nomination; and

Resolved, the University Assembly asks the Administration to consider this change to the University Assembly Charter; and

Be it finally resolved, the University Assembly replace all language pertaining to gender with gender-neutral language.

No signature block is present until the resolution has been disposed of by the Assembly (Passed, Failed, Withdrawn, etc.) Then a block with the certifying member (customarily Chair/Vice-Chair) verifying the authenticity and vote tally of the resolution.
